

DAILY SCRUM MEETING 15 (2/2/26)

Attendees: Mia Mader, David Martinez, Mariah Harris, Christopher Vivas Zachary Shea

Start time: 8:00PM

End time: 8:30PM

Mia Mader

- *How many hours have I worked since the last meeting?*
 - 2 hours
- *What was done since the last scrum meeting?*
 - Was in the backlog grooming meeting, discussing next steps for the project.
- *What is planned to be done until the next scrum meeting?*
 - Begin investigating how the database will function.
 - Code the front end part of the login functionality
- *What are the hurdles?*
 - Finding a way so that everyone on the project can simultaneously work on a database.

David Martinez

- *How many hours have I worked since the last meeting?*
 - 2 hours
- *What was done since the last scrum meeting?*
 - Started creating an initial sketch for the user structure that will be used for the login and registration function that will be implemented soon.
- *What is planned to be done until the next scrum meeting?*
 - Discuss with the team the decisions regarding the implementation of the login/registration feature.
 - Continue with the creation of the user implementation.
- *What are the hurdles?*
 - Ensure that the implementation of the new feature remains aligned with the overall project design.

Mariah Harris

- *How many hours have I worked since the last meeting?*
 - 2 hours
- *What was done since the last scrum meeting?*
 - Met with the team to align on how we will start the coding process and discuss initial steps.
- *What is planned to be done until the next scrum meeting?*
 - Start implementing the database for the final project.
- *What are the hurdles?*
 - None

Christopher Vivas

- *How many hours have I worked since the last meeting?*
 - 2 hours
- *What was done since the last scrum meeting?*
 - *Research database management requirements and techniques. Learn how relational databases work and how they can be applied to our system design*
- *What is planned to be done until the next scrum meeting?*
 - Create the User entity, and continue research on database management.
- *What are the hurdles?*
 - None

Zachary Shea

- *How many hours have I worked since the last meeting?*
 - 2 hours
- *What was done since the last scrum meeting?*
 - Coordinated with the team to discuss how the coding process will begin.
- *What is planned to be done until the next scrum meeting?*
 - Begin coding the database for the final project
- *What are the hurdles?*
 - None
