

DAILY SCRUM MEETING 17 (2/4/26)

Attendees: Mia Mader, David Martinez, Mariah Harris, Christopher Vivas Zachary Shea

Start time: 6:30PM

End time: 7:00PM

Mia Mader

- *How many hours have I worked since the last meeting?*
 - 2 hours
- *What was done since the last scrum meeting?*
 - Reviewed the git repository on my local device. Tried to experiment with how to get the database up and running.
- *What is planned to be done until the next scrum meeting?*
 - Create the front end implementation of the login screen. A very bare bones version to focus on the functionality.
- *What are the hurdles?*
 - Ensuring that the database is accessible from any group members device.

David Martinez

- *How many hours have I worked since the last meeting?*
 - 2 hours
- *What was done since the last scrum meeting?*
 - Implement the user entity based on the agreed-upon design for the login/registration process.
- *What is planned to be done until the next scrum meeting?*
 - Continue implementing the database, work on the remaining entities, and perform basic testing operations.
- *What are the hurdles?*
 - Ensure that the created entities are consistent with the project's planned design.

Mariah Harris

- *How many hours have I worked since the last meeting?*
 - 2 hours
- *What was done since the last scrum meeting?*
 - Reviewed the cloned Git repository on my personal computer and continued practicing HTML and CSS to strengthen front-end skills
- *What is planned to be done until the next scrum meeting?*
 - Assist with front-end implementation and begin contributing UI components to the project
- *What are the hurdles?*
 - None

Christopher Vivas

- *How many hours have I worked since the last meeting?*

- 2 hours
- *What was done since the last scrum meeting?*
 - *Download Docker, learn how to create a container to host postgresSQL, and Spring, and update databases using migrations.*
- *What is planned to be done until the next scrum meeting?*
 - Create the User entity, and continue research on database management.
- *What are the hurdles?*
 - None

Zachary Shea

- *How many hours have I worked since the last meeting?*
 - 3 hours
- *What was done since the last scrum meeting?*
 - Continued to code the database for the website.
 - Applied Spring Boot into the Java program.
- *What is planned to be done until the next scrum meeting?*
 - Finish the database for the website.
- *What are the hurdles?*
 - Separating the database into 3 tables.
