

SPRINT REVIEW MEETING (2/8/26)

Attendees: Mia Mader, David Martinez, Mariah Harris, Christopher Vivas Zachary Shea

Start time: 4:30 pm

End time: 5:00 pm

After a show and tell presentation, the implementation of the following user stories were accepted by the product owners: All.

- User Story #1
- User Story #2
- User Story #3
- User Story #4
- User Story #5

1	User Story #1: As a developer, I want to work on researching and developing an accurate system of communication to ensure all information is constantly shared and readily available.
2	User Story #2: As a developer, I want to create diagrams needed to display what exactly is needed for the program to function.
3	User Story # 3: As a developer, I want to develop the code for a log in and log out.
4	User Story # 4: As a developer, I want to develop the database for users and admins.
5	User Story # 5: As a developer, I want to develop a correct approach to find what is needed for user stories.

The following ones were rejected and moved back to the product backlog to be assigned to a future sprint at a future Spring Planning meeting.

None of the User Stories were rejected or moved back.
