

Sprint Review Meeting Minutes

Attendees: Emre, Juan, David, Carlos, Henry

Start time: 7:07 pm

End time: 8:14 pm

After a show and tell presentation, the implementation of the following user stories was accepted by the product owners:

- User Story 1: About Us Page (Emre, Juan) (10 Points)
 - As a user, I want to view an About Us page that explains what the Intelligent Home Monitoring System is and its purpose, so I can understand the goal of the project.
- User Story 2: Creator Bios (Carlos, Henry, David) (15 Points)
 - As a user, I want to see short bios of the project creators (team members), so I can learn who built the system and what each person contributed.

Story Points:

- Emre (5)
- Juan (5)
- David (5)
- Carlos (5)
- Henry (5)

The following ones were rejected and moved back to the product backlog to be assigned to a future sprint at a future Spring Planning meeting.

- User Story: Rename Device
 - As a user, I want to rename a device, so I can easily recognize it in my device list.
- User Story: Refresh Device Status
 - As a user, I want to refresh the device list, so I can see the most up to date device statuses.
