

Sprint Planning Meeting Minutes:

Attendees: Emre, Juan, David, Carlos, Henry

Start time: 7:34 pm

End time: 8:43 pm

After discussion, the velocity of the team was estimated to be **25 story points**.

The product owner chose the following user stories to be done during the next sprint. They are ordered based on their priority.

- **User Story #1 – Call to Action Button (10 Points)**

Team Members: Emre, Juan

As a user, I want a clear and visible call-to-action button on the landing page, so I can easily take the next step such as signing up or learning more about the system.

- **User Story #2 – Footer Section (15 Points)**

Team Members: Carlos, Henry, David

As a user, I want a structured footer section with navigation links and contact information, so I can easily access additional pages and information about the project.

The team members indicated their willingness to work on the following user stories.

Emre

- User Story #1: Call to Action Button

Juan
