

## **Sprint Review Meeting Minutes**

Attendees: Emre, Juan, David, Carlos, Henry

Start time: 12:16 pm

End time: 1:27 pm

After a show and tell presentation, the implementation of the following user stories was accepted by the product owners:

- User Story 1: Call to Action Button (Emre, Juan) (10 Points)
  - As a user, I want a clear and visible call-to-action button on the landing page, so I can easily take the next step such as signing up or learning more about the system.
- User Story 2: Footer Section (Carlos, Henry, David) (15 Points)
  - As a user, I want a structured footer section with navigation links and contact information, so I can easily access additional pages and information about the project.

Story Points:

- Emre (5)
- Juan (5)
- David (5)
- Carlos (5)
- Henry (5)

The following ones were rejected and moved back to the product backlog to be assigned to a future sprint at a future Spring Planning meeting.

- User Story: Rename Device
  - As a user, I want to rename a device, so I can easily recognize it in my device list.
- User Story: Refresh Device Status
  - As a user, I want to refresh the device list, so I can see the most up to date device statuses.
