

Sprint Backlog Grooming Meeting:

Attendees: Emre, Juan, Carlos, Henry, David

Start time: 8:41 PM

End time: 9:56 PM

Upcoming User Stories Reviewed:

The following stories were refined and prioritized by the product owner for potential inclusion in the upcoming sprint:

- **User Story 1:** Welcome Message – 10 pts
- **User Story 2:** Logout Button – 15 pts

Clarifications Discussed:

- **User Story 1:**
 - Clarified that the welcome message should appear after successful login
 - Defined that the message should confirm access to the Intelligent Home Monitoring System
 - Reviewed placement on the landing page for clear visibility
 - Discussed keeping the message simple and consistent with the system's UI
 - Confirmed responsiveness for both desktop and mobile views
- **User Story 2:**
 - Defined the purpose of the logout button for secure session termination
 - Reviewed placement on the landing page for easy access without disrupting layout
 - Discussed expected behavior such as redirecting the user after logout
 - Ensured consistency with existing UI components and styling
 - Confirmed responsiveness across desktop and mobile devices

Definition of Ready (DoR) Compliance:

Both user stories were reviewed to ensure they meet DoR standards. Each includes:

- Clear acceptance criteria
- Defined user flows and UI expectations
- Supporting documentation outlining implementation approach

Future Refinement Needs:

The team and product owner identified additional backlog items for early grooming in the next refinement session, including:

- Enhancing dashboard performance and data refresh speed
- Improving visual consistency across energy-related UI components

These stories are not included in the current sprint but will need early refinement to maintain sprint flow.

Sprint Assignment Decisions

Team Members & Commitments:

Emre Akilli

- Lead: User Story #1 – Welcome Message
- Responsible for implementing the message display and frontend behavior after login.

Juan Carlos Gomez

- Pair/Support: User Story #1 – Welcome Message
- Assists with styling, layout alignment, and UI integration.

Carlos Diaz

- Lead: User Story #2 – Logout Button
- Responsible for implementing logout functionality and button placement.

David Palacio

- Pair/Support: User Story #2 – Logout Button
- Works on UI components and formatting consistency.

Henry Perez

- Pair/Support: User Story #2 – Logout Button
- Supports content integration and frontend styling logic.
