

Sprint Planning Meeting Minutes: 2/9/26

Attendees: Johnathan Doralus, Isaiah Lora, Barbaro Ibanez, Noah Cook

Start time: 2:00 PM

End time: 2:30 PM

After discussion, the velocity of the team was estimated to be : 20pts

The product owner chose the following user stories to be done during the next sprint. They are ordered based on their priority.

- User Story 7: Staff/Doctor credential handling and system access (20pts)
 - As a database admin, I want proper controls for staff and doctors so they have proper access to data on appointments and patient information when getting into the system
- User story 8: Patient Data access (20pts)
 - As a database admin, I want the patients data protected and collected properly so other users with correct permissions can access the necessary data

The team members indicated their willingness to work on the following user stories.

- Johnathan Doralus – User Story 7: Staff/Doctor credential handling and system access (10pts)
- Noah Cook – User story 7: Staff/Doctor credential handling and system access (10pts)
- Barbaro Ibanez – User Story 8: Patient Data access (10pts)
- Isaiah Lora – User Story 8: Patient Data access (10pts)
