

Daily Scrum Meeting Minutes:

Attendees: Diego Martinez, Christian Cevallos, Jhonny Felix

Start time: 10:45 PM

End time: 11:15 PM

Diego Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Developed and implemented several of the user stories outlined in our planning meeting for this sprint.
 - Discuss what must be done to successfully round out the sprint this week.
- What is planned to be done until the next scrum meeting?
 - Finalize development and implementation of the final user story involving managing user settings.
- What are the hurdles?
 - Determining where user settings are stored (extension vs. backend) and keeping them consistent across sessions without overcomplicating the MVP.

Jhonny Felix:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Developed and implemented several of the user stories outlined in our planning meeting for this sprint.
 - Discuss what must be done to successfully round out the sprint this week.
- What is planned to be done until the next scrum meeting?
 - Finalize development and implementation of the final user story involving managing user settings.
 - Finalize certain UI changes.
- What are the hurdles?
 - Determining where user settings are stored (extension vs. backend) and keeping them consistent across sessions without overcomplicating the MVP.
 - Cohesive UI design.

Christian Cevallos:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Developed and implemented several of the user stories outlined in our planning meeting for this sprint.
 - Discuss what must be done to successfully round out the sprint this week.
- What is planned to be done until the next scrum meeting?
