

Daily Scrum Meeting Minutes

Date: Monday, February 20th

Start Time: 10:00 PM

End Time: 10:30 PM

Attendees: Diego Martinez, Christian Cevallos, Jhonny Felix

Diego Martinez

How many hours did I work since the last meeting?

2

What was done since the last scrum meeting?

- Finalized AI agent integration
- Refined /analyzed endpoint
- Verified structured claim extraction + ADK pipeline
- Organized docs folder (docs/versions, docs/deprecated)
- Updated v0.2.0 documentation

What is planned to be done until the next scrum meeting?

- Improve AI response formatting
- Strengthen validation + error handling
- Continue backend sequencing

What are the hurdles?

- Maintaining consistent structured output

- Keeping docs aligned with rapid updates

Jhonny Felix

How many hours did I work since the last meeting?

2

What was done since the last scrum meeting?

- Refined popup rendering for AI analysis
- Adjusted UI to support structured /analyze responses
- Tested frontend-backend compatibility

What is planned to be done until the next scrum meeting?

- Finalize AI analysis display
- Conduct integration testing

What are the hurdles?

- Handling dynamic AI response structures
- Preventing UI conflicts during backend changes

Christian Cevallos

How many hours did I work since the last meeting?

2

What was done since the last scrum meeting?

- Assisted with AI integration validation
- Verified extraction → AI alignment
- Updated API documentation (v0.1.0 & v0.2.0)
- Confirmed end-to-end workflow

What is planned to be done until the next scrum meeting?

- Continue backend testing
- Support debugging + integration stability
- Assist with documentation updates

What are the hurdles?

- Keeping frontend, backend, and docs synchronized
- Ensuring stable AI communication
