

Sprint Retrospective Meeting Minutes

Attendees: Diego Martinez, Jhonny Felix, Christian Cevallos

Start time: 7:00 PM

End time: 7:30 PM

What went wrong?

- Did we do a good job estimating our team's velocity?
 - Not exactly. While the current story isn't as demanding as other, other school obligations are becoming more demanding closer to semester end so time is limited.
- Did we do a good job estimating the points (time required) for each user story?
 - Not exactly. While the current story isn't as demanding as other, other school obligations are becoming more demanding closer to semester end so time is limited.
- Did each team member work as scheduled?
 - Yes.

What went right?

- N/A

How to address the issues in the next sprint?

- How to improve the process?
 - Perhaps time manage a bit better to make more room for the project.
- How to improve the product?
 - Continue to polish our code.
