What went wrong?

- Did we do a good job estimating our team's velocity?
 - Yes we did, we had a few missed meeting but nothing we couldn't catch up on.
- Did we do a good job estimating the points (time required) for each user story?
 - Yes, although we missed a few meetings we met them during weekends and still stayed in communications through messages.
- Did each team member work as scheduled?
 - All members worked as intended.

What went right?

- We were able to work on our intended roles and communicate as a team.

How to address the issues in the next sprint?

- How to improve the process?
 - Continue to communicate outside of meetings.
- How to improve the product?
 - Continue to work throughout sprints.
