

Mateo Siewierski

Weston, Florida - 954-604-7492 - mateo_siewierski@yahoo.com

Objective

Information Technology student with an Associate of Arts in Engineering seeking an internship at Pixels On Target. Hands-on experience with CNC manufacturing equipment, electronics assembly, and server room networking. Strong problem solver with a passion for hardware systems, mechanical work, and technology development.

Education

Bachelor of Science in Information Technology - Expected Graduation 2026

Associate of Arts in Engineering - Valencia College

Technical Skills

- Programming - Python, Java, Visual Basic (foundational experience)
- IT and Networking - Network topology documentation, server room familiarity, switch connectivity
- Manufacturing Equipment - CNC machines, wire cutting machines, air-powered crimping machines, resin machines, industrial grinders
- Electronics - Circuit board and motherboard soldering
- Technical Projects - Built custom desktop PC; perform mechanical work and maintenance on personal vehicles

Professional Experience

Production Technician / Warehouse Operations - Citel Electric (2020-2026)

- Prepared and organized surge protector inventory for production and distribution
- Trained and supervised new employees while coordinating workflow and responsibilities
- Operated and was trusted with multiple production machines including CNC, wire cutting, crimping, resin, and grinding equipment
- Performed electronics assembly including soldering components on circuit boards and motherboards
- Documented network topology for two server rooms within the facility
- Connected three industrial Vertical Lift Modules (VLMs) to network switches in the server room infrastructure
- Maintained quality standards and ensured safe operation of equipment

Assistant Manager (Part-Time) - Dominos Pizza (2016-2018)

- Trained employees on operational procedures and food preparation
- Managed kitchen workflow and coordinated staff during high-volume shifts
- Opened and closed store operations including cash handling
- Handled customer service issues and driver shift management

Community Service

Volunteer Investigative Aide - Florida Division of Alcoholic Beverages and Tobacco

Supported compliance initiatives and assisted regulatory efforts aimed at preventing illegal alcohol and tobacco sales.
