

Sprint Review Meeting Minutes:

Date: 1/25/2026

Attendees: Max Gleiberman, Julian Hernandez, Nathan Mahabeer, Elizabeth Hechavarria

Start time: 6:00pm

End time: 6:30pm

Show & Tell Presentation:

- User Story #4 – SIEM Dashboards & Detection Rules (Completed)

Rejected / Returned to Backlog:

- N/A

Remaining In-Progress / Planned for Future Sprints:

- User Story #5 – Risk Assessment & Documentation

Notes / Feedback from Product Owners:

- Dashboards successfully visualize all relevant detection rules and correlated events.
- Detection logic tuning is effective and provides accurate alerting.
- Documentation for dashboard configurations and rule behavior should be finalized next sprint.
