

Sprint Review Meeting Minutes:

Date: 2/8/2026

Attendees: Max Gleiberman, Julian Hernandez, Nathan Mahabeer, Elizabeth Hechavarria

Start time: 3:20pm

End time: 3:50pm

Show & Tell Presentation:

- N/A

Rejected / Returned to Backlog:

- N/A

Remaining In-Progress / Planned for Future Sprints:

- User Story #5 – Risk Assessment & Documentation

Notes / Feedback from Product Owners:

- Dashboards successfully visualize all relevant detection rules and correlated events.
- Detection logic tuning is effective and produces accurate alerts.
- Risk assessment and documentation for dashboards and detection rules should be finalized in the next sprint.
