

Daily Scrum Meeting Minutes:

Attendees: Nikolas Tsalikis, Anthony Pacheco, Lucca Pinto, Federico Marrero, Katherine Cruz

Start time: 9:00 p.m.

End time: 9:20 p.m.

Nikolas:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Reviewed recent stability testing progress, verified that authentication and logging updates remained consistent with firewall and routing configurations, and coordinated updates between UI profile work and backend security changes.
- What is planned to be done until the next scrum meeting?
 - Continue helping my teammates wherever I can.
- What are the hurdles?
 - No major hurdles; coordination remains important as multiple refinements are happening simultaneously.

Anthony:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued resolving programming errors, finalized several bug fixes. Began work on gui development
- What is planned to be done until the next scrum meeting?
 - Expand stability testing across more use cases, monitor system behavior under extended operation, and document any remaining inconsistencies that require adjustment. Gui development.
- What are the hurdles?
 - Time-management remains a factor, but it is not preventing progress.

Lucca:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Verifying design plan for client profiles, check it if it's compatible with infrastructure.
- What is planned to be done until the next scrum meeting?
 - Make sure client profiles are compatible with security practices as defined by Federico.

- What are the hurdles?
 - Scheduling; busy internal life conflicting with usual workflow.

Federico:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued to create users for the group in the vpn server to maintain security practices by performing actions without elevated privileges(not root).
- What is planned to be done until the next scrum meeting?
 - Inspect different ways of sending client profiles and keys in a secure manner that establishes end-to-end encryption.
- What are the hurdles?
 - None

Katherine:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Continued to compile the results of the functionality test run to evaluate what needs to be changed from the backend. Began fixing the minor bugs found from the functionality test run. Review what other features need to be tested. Began to plan what's needed for the final project poster.
- What is planned to be done until the next scrum meeting?
 - Work on the final project poster. Outline the manual needed for final submission.
- What are the hurdles?
 - None
