

Daily Scrum Meeting Minutes:

Attendees: Nikolas Tsalikis, Anthony Pacheco, Lucca Pinto, Federico Marrero, Katherine Cruz

Start time: 9:00 p.m.

End time: 9:20 p.m.

Nikolas:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Reviewed recent stability testing progress, verified that authentication and logging updates remained consistent with firewall and routing configurations, and coordinated updates between UI profile work and backend security changes.
- What is planned to be done until the next scrum meeting?
 - Continue helping my teammates wherever I can.
- What are the hurdles?
 - No major hurdles; coordination remains important as multiple refinements are happening simultaneously.

Anthony:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued resolving programming errors, finalized several bug fixes. Began work on gui development
- What is planned to be done until the next scrum meeting?
 - Expand stability testing across more use cases, monitor system behavior under extended operation, and document any remaining inconsistencies that require adjustment. Gui development.
- What are the hurdles?
 - Time-management remains a factor, but it is not preventing progress.

Lucca:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Client profile work (currently) completed.
- What is planned to be done until the next scrum meeting?
 - Work on making the poster for the presentation; acquire supplies, setup layout on current design preferences.
- What are the hurdles?

- Scheduling; busy internal life conflicting with usual workflow.

Federico:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued to create users for the group in the vpn server to maintain security practices by performing actions without elevated privileges(not root).
- What is planned to be done until the next scrum meeting?
 - Inspect different ways of sending client profiles and keys in a secure manner that establishes end-to-end encryption.
- What are the hurdles?
 - None

Katherine:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Continued to work on the final project poster.
- What is planned to be done until the next scrum meeting?
 - Work on the final project poster. Outline the manual needed for final submission.
- What are the hurdles?
 - None
