Start time: 7:00 PM

End time: 7:30 PM

The following user stories were created/discussed/refined/prioritized.

- All user stories were completed.

The user stories below are completed (Marked as ready).

- User Story 1: As a user, I want to view a short textual explanation of my AudioAura (including what my colors and traits mean) so that I can easily understand how my listening data was interpreted.
- User Story 2: As a user, I want to see a percentage breakdown of the top 5 genres that I listen to.
- User Story 3: As a user, I want the music report page to load smoothly with a clear loading state so that I know my data is being processed and the application feels responsive.
- User Story 4: As a user, I would like to fetch an analysis including tempo, danceability, etc. of my top 5 songs.
- User Story 5: As a user, I would like to find out the genre of my top artists
