The user stories below are completed (Marked as ready).

- **User Story 1:** As a user, I want to view a short textual explanation of my AudioAura (including what my colors and traits mean) so that I can easily understand how my listening data was interpreted.
- **User Story 2:** As a user, I want to cache the processed "Top Artists/Songs" summary for 24 hours so that we reduce redundant API calls and improve the load time of the user's dashboard
- **User Story 3:** As a user, I would like to see a color scheme through the report analysis that matches my AudioAura.
- **User Story 4:** As a user, I would like to view my top songs from different ranges of time, 4 weeks, 6 months and 1 year.
- **User Story 5:** As a user, I would like to see a summary of my top songs/artists.
