

Daily Standup Meeting Minutes

Attendees: Aykhan Pashayev, Charlie Iglesias, Cheng Zhang, Alex Linghay Eng, Nicolas Su Nobrega

Start Time: 7:30 PM EST

End Time: 8:00 PM EST

Aykhan Pashayev:

- How many hours did I work since the last meeting?
 - I worked for 2 hours.
- What was done since the last scrum meeting?
 - Test user named anomai-test-actor and activity creator script created. This will make unusual api calls and will allow us to develop our anomalies logic.
- What is planned to be done until the next scrum meeting?
 - I'll test the script and the results of it.
- What are the hurdles?
 - No hurdles so far.

Charlie Iglesias:

- How many hours did I work since the last meeting?
 - I worked for 2 hours since the last meeting
- What was done since the last scrum meeting?
 - I continued my research and identified which events include missing identity attributes
- What is planned to be done until the next scrum meeting?
 - I will begin to prepare the data for detection & AI
- What are the hurdles?
 - No hurdles

Cheng Zhang:

- How many hours did I work since the last meeting?

- I worked 2 hour.
- What was done since the last scrum meeting?
 - Finished drafting and integrating the scoring logic for all anomaly features as planned last Friday. Also validated the updated specification using the sample normalized events. After completing the scoring integration, I began looking into AI model options that can work with our scoring pipeline and support the next phase of the project.
- What is planned to be done until the next scrum meeting?
 - Continue reviewing potential model approaches and prepare a short comparison for the team. Begin drafting the AI model research document and connect it with the scoring and API structure defined last week.
- What are the hurdles?
 - No hurdles at this time.

Alex Linghay Eng:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Scrapped that for later and did a bunch of mockups for what it might look like
- What is planned to be done until the next scrum meeting?
 - Ask around for what people think is missing
- What are the hurdles?
 - I'm afraid it looks ugly

Nicolas Su Nobrega:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - I analyzed the feedback and identified gaps in anomaly feature scaling
- What is planned to be done until the next scrum meeting?
 - I will focus on improving anomaly feature normalization
- What are the hurdles?
 - No hurdles
