

## Daily Standup Meeting Minutes

**Attendees:** Aykhan Pashayev, Charlie Iglesias, Cheng Zhang, Alex Linghay Eng, Nicolas Su Nobrega

**Start Time:** 7:30 PM EST

**End Time:** 8:00 PM EST

Aykhan Pashayev:

- How many hours did I work since the last meeting?
  - I worked for 3 hours.
- What was done since the last scrum meeting?
  - Detection script improved, another script added for converting the output.json to more UI friendly json format, using Flask API created so UI will be directly pulling data from the API.
- What is planned to be done until the next scrum meeting?
  - I'll plan out the next steps for the projects.
- What are the hurdles?
  - No hurdles.

Charlie Iglesias:

- How many hours did I work since the last meeting?
  - I worked for 3 hours since the last meeting
- What was done since the last scrum meeting?
  - I continued to research about extraction script and mapped out the beginning
- What is planned to be done until the next scrum meeting?
  - I will continue with the feature extraction script
- What are the hurdles?
  - None

Cheng Zhang:

- How many hours did I work since the last meeting?
  - I worked 3 hours.
- What was done since the last scrum meeting?
  - Continued refining the mid-fidelity wireframes for both the incident list and incident detail pages.
  - Organized the layout, spacing, and component structure to match the finalized schema and IA.
- What is planned to be done until the next scrum meeting?
  - Finalize the mid-fidelity wireframes and make sure both pages are consistent and ready for handoff.
  - Prepare a clean UI handoff package, including field-to-component mappings and brief implementation notes.
- What are the hurdles?
  - No hurdles at this time.

Alex Linghay Eng:

- How many hours did I work since the last meeting?
  - 3 hours
- What was done since the last scrum meeting?
  - Scheduling is a bit of a problem so I'm going to have to be working on something else in the mean time
- What is planned to be done until the next scrum meeting?
  - Aykhan was telling me about streamlit and I think I'll probably be looking in to that
- What are the hurdles?
  - Scheduling... and new thing

Nicolas Su Nobrega:

- How many hours did I work since the last meeting?
  - 1 hour
- What was done since the last scrum meeting?
  - I connected the UI to sample incident data
- What is planned to be done until the next scrum meeting?
  - I will improve event detail view
- What are the hurdles?
  - No hurdles
