

Sprint 2 Backlog Grooming Meeting Minutes:

Attendees: <Christian Mendez, Haruki Horiuchi, Serkens Delice, Ashley Agbonkhes, Ajani Cole>

Start time: <10:00 PM>

End time: <11:00 PM>

The following user stories were created/discussed/refined/prioritized.

- During the meeting, the team created, discussed, refined, and prioritized user stories for the sprint. All previously listed user stories have been completed.

The user stories below have been accepted to be completed during the remainder of the sprint.

- User Story #1: As a student, I want to share and develop my ideas, so that I can help improve current translation features or contribute suggestions for new ones.
- User Story #2: As a student developer, I want to review existing project code for scalability, so that decisions on current or new translation features can be made with future growth in mind.

Next Steps:

- Break down the accepted user stories into tasks.
- Begin development work in priority order for Sprint 2 goals.
