

Daily Scrum Meeting Minutes:

09/16/2025

Attendees: Diego Hernandez, Bosco Silva, Gunther Alonso, Didier Campos, Timothy Rocha

Start time: 9:30 PM

End time: 10:10 PM

Diego Hernandez:

- How many hours did I work since the last meeting?
 - 3 hour
- What was done since the last scrum meeting?
 - Continued working on fine tuning the code that removes any users that didn't write a comment
 - Continue looking for machine learning models that can separate topics for this project.
 - Continue practicing some python skills for working on the actual code.
- What is planned to be done until the next scrum meeting?
 - Continue practicing python skills
 - Continue looking for machine learning models that can separate topics for this project.
 - Continued fine tuning the code
- What are the hurdles?
 - Finding the perfect model for the project.

Didier Campos:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Continued to work on code for smoother user experience
 - Continued to make code more efficient
- What is planned to be done until the next scrum meeting?
 - Continue to work on functions
- What are the hurdles?

- None

Gunther Alonso:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - More comment preprocessing
 - Continued research on machine learning models
- What is planned to be done until the next scrum meeting?
 - Ensuring comments are formatted properly and ready for training
- What are the hurdles?
 - Machine learning model selection

Bosco Silva:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Continued processing and optimizing the given comments file in preparation for the AI by filtering out lines that do not contain a comment.
 - Continued familiarizing myself with important Python techniques.
 - Continued researching and discussing with my group what AI model we should use.
- What is planned to be done until the next scrum meeting?
 - Continue filtering out lines in the comments file that do not contain a comment.
 - Discuss more potential AI models we can use for our project.
- What are the hurdles?
 - It has been difficult finding the optimal machine learning model to use.

Timothy Rocha:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Research
- What is planned to be done until the next scrum meeting?
 - Continue simple research process
