09/17/2025

Attendees: Diego Hernandez, Bosco Silva, Gunther Alonso, Didier Campos, Timothy Rocha

Start time: 9:00 PM

End time: 9:45 PM

Diego Hernandez:

- How many hours did I work since the last meeting?
 - 3 hour
- What was done since the last scrum meeting?
 - Continued working on fine tuning the code that removes any users that didn't write a comment
 - Continue looking for machine learning models that can separate topics for this project.
 - Continue practicing some python skills for working on the actual code.
- What is planned to be done until the next scrum meeting?
 - Continue practicing python skills
 - Continue looking for machine learning models that can separate topics for this project.
 - Continued fine tuning the code
- What are the hurdles?
 - Finding the perfect model for the project.

Didier Campos:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Began to slowly start training the machine learning model
- What is planned to be done until the next scrum meeting?
 - Continue to work on the machine learning model.
- What are the hurdles?
 - None so far

Gunther Alonso:

- How many hours did I work since the last meeting?
 - 3 hours

- What was done since the last scrum meeting?
 - Initial training of machine learning models with test data
- What is planned to be done until the next scrum meeting?
 - Continued training and testing using processed comments
- What are the hurdles?
 - Selection and fine tuning of models

Bosco Silva:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Continued eliminating lines the excel sheet that didn't contain a comment in an effort to streamline and optimize the data.
 - Discussed more potential machine learning models to use, began training a few of the ones we thought most suitable using the given data.
- What is planned to be done until the next scrum meeting?
 - Continue training the models we picked in order to see which one is most suitable for our project.
 - Continue familiarizing myself with good python practices and tools.
- What are the hurdles?
 - Initial model training has begun, it will take time, and much training will be required.

Timothy Rocha:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Research on APIs, REST APIs, and protocols
- What is planned to be done until the next scrum meeting?
 - Continue research

What are the hurdles

- Learning new things and deciding AI model to use
