

Daily Scrum Meeting Minutes:

09/18/2025

Attendees: Diego Hernandez, Bosco Silva, Gunther Alonso, Didier Campos, Timothy Rocha

Start time: 9:00 PM

End time: 9:45 PM

Diego Hernandez:

- How many hours did I work since the last meeting?
 - 3 hour
- What was done since the last scrum meeting?
 - Continued working on fine tuning the code that removes any users that didn't write a comment
 - Continued looking for machine learning models that can separate topics for this project and learning how to properly convert these topics
- What is planned to be done until the next scrum meeting?
 - Continue practicing python skills
 - Continue looking for machine learning models that can separate topics for this project.
 - Continued fine tuning the code
- What are the hurdles?
 - Finding the perfect model for the project.

Didier Campos:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Continue working on the code
- What is planned to be done until the next scrum meeting?
 - Continue practicing machine learning skills to implement
- What are the hurdles?

- none

Gunther Alonso:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Continued training and testing using processed comments
- What is planned to be done until the next scrum meeting?
 - Fine tuning of model
- What are the hurdles?
 - Model fine tuning and complexity of data

Bosco Silva:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Went further along optimizing our code that removes unneeded whitespace from our comment files.
 - Continued looking into and testing more machine learning models.
- What is planned to be done until the next scrum meeting?
 - Further optimize our code that removes users that did not leave a comment.
 - Continue testing certain machine learning models so that we can choose the most appropriate one.
- What are the hurdles?
 - It is taking a while to test these models we chose.

Timothy Rocha:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Research on APIs and REST web APIs.
- What is planned to be done until the next scrum meeting?
 - Continue research process

What are the hurdles

- Looking into the model and tools to use for the project and learning new topics.
