09/03/2025

Attendees: Diego Hernandez, Bosco Silva, Gunther Alonso, Didier Campos, Timothy Rocha

Start time: 7:30 PM

End time: 8:00 PM

Diego Hernandez:

- How many hours did I work since the last meeting?
 - 2 hour
- What was done since the last scrum meeting?
 - Began processing the given comments into one language for consistency.
 - Continue looking for machine learning models that can separate topics for this project.
- What is planned to be done until the next scrum meeting?
 - Continue to properly process the data
 - Continue looking for machine learning models that can separate topics for this project.
 - Learning new Python skills.
- What are the hurdles?
 - None

Didier Campos:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued ongoing research on machine learning models.
 - Scraping through the data to make sure we only keep valuable data.
- What is planned to be done until the next scrum meeting?
 - Continue to do research
- What are the hurdles?
 - Learning and understanding how to work with machine learning.

Gunther Alonso:

- How many hours did I work since the last meeting?

- 2 hours
- What was done since the last scrum meeting?
 - Continued research on machine learning models
 - Weighing of options for handling of multiple languages
- What is planned to be done until the next scrum meeting?
 - Further research into multilanguage processing
 - Cleaning the excel data
- What are the hurdles?
 - Finding appropriate model(s) for training

Bosco Silva:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Began processing the given comments into one language for consistency.
 - Continued researching various AI models in order to find the most suitable one for our project.
- What is planned to be done until the next scrum meeting?
 - Continue looking at more AI models to determine the best one to use.
- What are the hurdles?
 - Nothing

Timothy Rocha:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Research into appropriate machine learning model and the AI applications of Python.
- What is planned to be done until the next scrum meeting?
 - Continue research into appropriate machine learning models and Python learning.
- What are the hurdles?
 - Getting an understanding of AI models.
 - Learning new Python skills.
