

Daily Scrum Meeting Minutes:

09/05/2025

Attendees: Diego Hernandez, Bosco Silva, Gunther Alonso, Didier Campos, Timothy Rocha

Start time: 5:45 PM

End time: 6:15 PM

Diego Hernandez:

- How many hours did I work since the last meeting?
 - 2 hour
- What was done since the last scrum meeting?
 - Continue processing the given comments into one language for consistency.
 - Continue looking for machine learning models that can separate topics for this project.
- What is planned to be done until the next scrum meeting?
 - Continue to properly process the data
 - Continue looking for machine learning models that can separate topics for this project.
 - Learning new Python skills.
- What are the hurdles?
 - Finding the appropriate models to use.

Didier Campos:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued to process data
- What is planned to be done until the next scrum meeting?
 - Continue to process data as well as educating ourselves on skills we will need.
- What are the hurdles?
 - No hurdles so far.

Gunther Alonso:

- How many hours did I work since the last meeting?

- 2 hours
- What was done since the last scrum meeting?
 - Loaded excel with survey comments into python and preprocessed the text by removing special characters
- What is planned to be done until the next scrum meeting?
 - Continue research and implementation of machine learning models and APIs
- What are the hurdles?
 - Lack of knowledge

Bosco Silva:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Made more progress in translating the given patient comments into one language.
 - Found some more potentially viable machine learning models we could use for our project.
- What is planned to be done until the next scrum meeting?
 - Continue working with the group to process the given patient comments into one language for consistency.
 - Discuss with the group what machine learning model we want to utilize for best results.
- What are the hurdles?
 - It has been difficult choosing which model to use. We need to discuss our options and make sure we did adequate research.

Timothy Rocha:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Research AI and trainable AI models.
- What is planned to be done until the next scrum meeting?
 - Continue research phase

What are the hurdles

- Researching and learning new tools.
