End time: 8:30 pm

Elvis Nakamura

- **What have you done since the last scrum meeting?**
We are setting up a meeting with the product owner to discuss how to get started.
- **What is planned to be done until the next scrum meeting?**
Planning and contacting our product owner
Getting guidelines to start the project
- **What are the hurdles?**
Busy schedules and finding an adequate time to meet.

Jordan Arteaga

- **What have you done since the last scrum meeting?**
 - Switched projects
- **What is planned to be done until the next scrum meeting?**
 - Meeting set for saturday
 - Research the requirements to complete new project
- **What are the hurdles?**
 - Scheduling

Pedro Loor

- **What have you done since the last scrum meeting?**

We are still coordinating with the owner of the project to meet and discuss the next steps in the project.

- **What is planned to be done until the next scrum meeting?**

To meet with the owner of the project.

- **What are the hurdles?**

There were no hurdles in this meeting.

Kevin Montenegro

- **What have you done since the last scrum meeting?**

Did a little research on our project and contact project owner

- **What is planned to be done until the next scrum meeting?**

A plan to execute this project in due time

- **What are the hurdles?**

Very minimal time between full time school and work makes the project more difficult

Luis Salgado

- **What have you done since the last scrum meeting?**

We set up alerting with the project owner.

- **What is planned to be done until the next scrum meeting?**

Get some guidance from the project owner.

- **What are the hurdles?**

The schedule we have at the moment
