What was done since the last scrum meeting?

Reformatted quiz completion messages and updated the results screen for better visibility.
Adjusted text size and result alignment.

What is planned to be done until the next scrum meeting?

Begin reviewing the testing feedback and note any recurring issues in module functionality.

What are the hurdles?

Some test feedback forms from internal users didn't sync correctly through Google Drive; needs manual re-entry.

Kirei Hausheer:

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

Reviewed image alt text tags for accessibility and added missing labels to key images across all simulator modules.

What is planned to be done until the next scrum meeting?

Help review visual layout for accessibility compliance and adjust contrast in text-heavy sections.

What are the hurdles?

Wix's accessibility checker doesn't always detect missing tags, requiring manual verification.

Joaquin Prado:

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

Finalized optimization for page transitions and cleaned up unused code blocks in custom sections.

What is planned to be done until the next scrum meeting?

Perform full end-to-end site testing for responsiveness and performance before publication.

What are the hurdles?

Loading time discrepancies persist between Chrome and Safari browsers; troubleshooting caching differences.
