Isis Gomez:

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

Completed the Capstone presentation slides draft, including simulator overview, key features, and screenshots of all modules. Ensured alignment with project objectives.

What is planned to be done until the next scrum meeting?

Review the slides for design consistency and practice flow for the showcase presentation.

What are the hurdles?

Coordinating feedback from all members on slide visuals to finalize design before submission.

Manuel Conrad:

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

Finalized testing for the PassMaster module and verified that all interactive elements work properly across browsers.

What is planned to be done until the next scrum meeting?

Review the entire simulator navigation to ensure consistent linking between modules and the main menu.

What are the hurdles?

Minor alignment issue between module buttons on mobile view that occasionally overlap text boxes.

Michael Novas:**How many hours have I worked since the last meeting?**

3 hours

What was done since the last scrum meeting?

Completed final multi-device testing for Spot the Phish. Verified quiz scoring and “Try Again” functionality are working properly.

What is planned to be done until the next scrum meeting?

Assist Isis with presentation visuals and prepare screenshots highlighting the Spot the Phish gameplay.

What are the hurdles?

Slight pixelation on lower-resolution screenshots; may need retakes with higher-quality captures.

Kirei Hausheer:**How many hours have I worked since the last meeting?**

3 hours

What was done since the last scrum meeting?

Helped refine presentation slide visuals and applied consistent fonts and color scheme matching the site’s design.

What is planned to be done until the next scrum meeting?

Conduct a full content review of all slides for readability and alignment before submission.

What are the hurdles?

Color contrast slightly varies between monitors, which affects how the visuals appear on screen.

Joaquin Prado:**How many hours have I worked since the last meeting?**

3 hours

What was done since the last scrum meeting?

Completed navigation testing between modules and verified that all policy and informational pages load correctly.

What is planned to be done until the next scrum meeting?

Perform a final performance test on the published version to confirm optimized load times.

What are the hurdles?

Page transitions occasionally lag after first-time load. Possible caching issue under Wix environment.
