

Daily Scrum Meeting Minutes 1 — Sprint 6

Attendees: Isis Gomez, Manuel Conrad, Michael Novas, Kirei Hausheer, Joaquin Prado

Start Time: 7:40 PM

End Time: 8:40 PM

Isis Gomez

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Reviewed all website content on Wix
- Updated some text sections for clarity
- Started drafting the video scripts outline

What is planned to be done until the next scrum meeting?

- Finalize all text corrections on the main pages
- Begin writing the full video scripts
- Check UI alignment between simulator pages

What are the hurdles?

- Some pages still need consistent styling across modules

Manuel Conrad

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Ran through initial system testing on simulator modules
- Logged issues found during phishing and password modules

What is planned to be done until the next scrum meeting?

- Continue functional testing across all modules
- Start organizing the shared bug list

What are the hurdles?

- A few UI bugs are repeated across different modules

Michael Novas

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Completed first-pass UI/UX testing
- Verified button responsiveness and navigation flow

What is planned to be done until the next scrum meeting?

- Conduct a deeper usability review
- Provide feedback for interface fine-tuning

What are the hurdles?

- Navigation timing still feels slow in some areas

Kirei Hausheer

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Reviewed UI components for final polish
- Adjusted spacing and alignment of quiz screens

What is planned to be done until the next scrum meeting?

- Continue general UI refinements
- Begin working with Isis on video visual transitions

What are the hurdles?

- Some Wix style limitations make spacing adjustments harder

Joaquin Prado

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Started evaluating bug list from testing
- Fixed small layout issues in password module

What is planned to be done until the next scrum meeting?

- Begin correcting the high-priority bugs
- Start accessibility updates (alt text, labels)

What are the hurdles?

- Certain bugs need further clarification from testers
