

Daily Scrum Meeting Minutes 3 — Sprint 6

Attendees: Isis Gomez, Manuel Conrad, Michael Novas, Kirei Hausheer, Joaquin Prado

Start Time: 7:00 PM

End Time: 8:00 PM

Isis Gomez

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Completed recording of the audio narration for the Intro video
- Updated several accessibility text descriptions across the site
- Revised minor formatting issues on the Team and About pages

What is planned to be done until the next scrum meeting?

- Begin screen recording for the User Guide video
- Start editing the first draft of the Intro video

What are the hurdles?

- Need to retake a few screen recordings due to cursor visibility

Manuel Conrad

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Completed malware module test set
- Identified two bugs affecting image scaling on smaller displays

What is planned to be done until the next scrum meeting?

- Begin cross-testing Threat Hunter module

- Provide detailed bug reproduction notes for Joaquin

What are the hurdles?

- Some scaling issues are inconsistent across devices

Michael Novas

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Completed first visual review of the threat detection module
- Provided feedback for UI improvements in two game modules

What is planned to be done until the next scrum meeting?

- Begin co-testing mobile layouts with Manuel
- Assist Isis with reviewing edited footage from the Intro video

What are the hurdles?

- Mobile interface previews in Wix sometimes load outdated versions

Kirei Hausheer

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Started refining the site's color palette for consistency
- Added updated icons and improved typography across pages

What is planned to be done until the next scrum meeting?

- Continue polishing UI for Threat Hunter module
- Begin adding transitions for video overlays

What are the hurdles?

- Ensuring color contrast meets accessibility standards without altering the overall theme

Joaquin Prado

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Fixed scaling issue in the password module
- Added missing accessibility tags and labels to two pages

What is planned to be done until the next scrum meeting?

- Continue working through high-priority bug fixes
- Start reviewing reported mobile display issues

What are the hurdles?

- Some issues require device-specific testing that takes longer
