

Daily Scrum Meeting Minutes 5 — Sprint 6

Attendees:

Isis Gomez, Manuel Conrad, Michael Novas, Kirei Hausheer, Joaquin Prado

Start Time: 7:00 PM

End Time: 8:00 PM

Isis Gomez

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Completed all remaining screen recordings for the User Guide video
- Polished audio transitions and clipped long pauses
- Updated “Watch & Learn” section formatting on the site

What is planned to be done until the next scrum meeting?

- Begin editing the full User Guide video
- Add subtitles and accessibility captions

What are the hurdles?

- A few scenes had to be re-captured due to mouse movement timing

Manuel Conrad

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Performed a full consistency check on game scoring systems
- Logged minor inconsistencies in two mini-game result pages

What is planned to be done until the next scrum meeting?

- Start validating all scoring corrections after Joaquin applies fixes
- Double-check question order logic in Spot the Phish

What are the hurdles?

- Some question feedback text loads slightly off-center

Michael Novas

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Tested video embedding in Wix for compatibility
- Provided feedback for spacing and video container sizes

What is planned to be done until the next scrum meeting?

- Run another pass on UI layout, focusing on mobile spacing
- Assist Isis with reviewing edited video segments

What are the hurdles?

- Embedded videos load slower on mobile depending on Wi-Fi speed

Kirei Hausheer

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Finished animation updates for clickable elements
- Created new icons for the final presentation visuals

What is planned to be done until the next scrum meeting?

- Help Isis integrate overlay elements for video visuals
- Start final design pass on homepage layout

What are the hurdles?

- Some animations need slight delay adjustments to avoid overlap

Joaquin Prado

How many hours have I worked since the last meeting?

3 hours

What was done since the last scrum meeting?

- Fixed 3 additional bugs related to scoring and logic flow
- Completed accessibility improvements for threat detection module

What is planned to be done until the next scrum meeting?

- Finish accessibility for all modules
- Address browser-specific alignment issues

What are the hurdles?

- Firefox spacing inconsistencies require manual CSS overrides
