

Date: 09/02/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 12:00 PM

End time: 1:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 4 Hours.
- What was done since the last scrum meeting?
 - I met with the product owner to plan the first sprint cycle.
 - I contacted the members of the group that previously worked on the project to access the necessary code and documentation for the project.
 - I scheduled daily meetings with the team and weekly meetings with the product owner for this sprint cycle.
- What is planned to be done until the next scrum meeting?
 - Start working on user story: Development Environment Setup Guide.
 - Set up a development environment with Android Studio.
- What are the hurdles?
 - Coordinating a suitable time for all team members has been challenging.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 1 hour.
- What was done since the last scrum meeting?
 - We organized and compared schedules and started to plan for the project.
- What is planned to be done until the next scrum meeting?
 - We plan to do research and learn on android application development
- What are the hurdles?
 - scheduling and learning android applications.

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 1 hours
- What was done since the last scrum meeting?
 - We arranged and informed of our schedules to be able to designate the right times and days for meetings throughout the first sprint.
- What is planned to be done until the next scrum meeting?
 - Initiating research on android applications and the way to develop them correctly.
- What are the hurdles?

- Matching our time and schedules to fit in with the meetings.

David Vasquez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Schedule future meetings based on everyone's availability.
- What is planned to be done until the next scrum meeting?
 - Research and clarify the product owner's application requirements.
- What are the hurdles?
 - Working on existing codebase.

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - We arranged and informed of our schedules to be able to designate the right times and days for meetings throughout the first sprint.
- What is planned to be done until the next scrum meeting?
 - Initiating research on android applications and the way to develop them correctly.
- What are the hurdles?
 - Learning curve for android applications

Date: 09/03/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 12:00 PM

End time: 1:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 2 hours.
- What was done since the last scrum meeting?
 - The development environment in Android Studio was set up.
 - Wrote down steps to set up the development environment for the setup guide.
- What is planned to be done until the next scrum meeting?
 - Write down steps to open, test, and debug the project.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - more research and instillation on android development
- What is planned to be done until the next scrum meeting?
 - be familiarized with the git repository and coding
- What are the hurdles?
 - learning android applications and scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Got to review the provided tools for this sprint and researched how to properly perform my use cases
- What is planned to be done until the next scrum meeting?
 - I will check for any similar UI components that can be reused for our showcase
- What are the hurdles?
 - there weren't any.

David Vasquez:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Work on the research.
- What is planned to be done until the next scrum meeting?
 - Research and clarify the product owner's application requirements.
- What are the hurdles?
 - Working on existing codebase.

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - I did research on the android application Jetpack Compose
- What is planned to be done until the next scrum meeting?
 - Work on User stories
- What are the hurdles?
 - Still learning the android applications

Date: 09/04/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 4:00 PM

End time: 6:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 2 Hours.
- What was done since the last scrum meeting?
 - Wrote down steps to open, test, and debug the project for the setup guide.
 - Contacted the product owner to ask questions about the project.
- What is planned to be done until the next scrum meeting?
 - Add illustrations to the setup guide.
 - Write down steps to set up the development environment with Android Studio.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - familiarized myself with the projects coding
- What is planned to be done until the next scrum meeting?
 - look over and analyze the user stories that need to be done
- What are the hurdles?
 - learning android applications and scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - I checked most of the UI components and tried to test them one by one.
- What is planned to be done until the next scrum meeting?
 - finish checking all of the UI components so I can then compare them or see which ones can be reused
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?

- 1
- What was done since the last scrum meeting?
 - Research on the project architecture
- What is planned to be done until the next scrum meeting?
 - finish the research over the weekend
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started the user stories and looking at what needed to get done with the old application
- What is planned to be done until the next scrum meeting?
 - Try and finish up some of the user stories and developing new ideas for the improved application we create
- What are the hurdles?
 - N/A

Date: 09/05/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 3:30 PM

End time: 5:30 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 2 hours.
- What was done since the last scrum meeting?
 - Wrote down steps to setup the development environment on Android Studio.
- What is planned to be done until the next scrum meeting?
 - Finish setup guide user story.
 - Meet with the product owner to discuss project milestones.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - familiarized myself with the projects coding
- What is planned to be done until the next scrum meeting?
 - look over and analyze the user stories that need to be done
- What are the hurdles?
 - learning android applications and scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - All UI components were checked carefully from the original project
- What is planned to be done until the next scrum meeting?
 - trying them out to see which ones fit and can be reused for our project, discussing with my classmates which UI components could be reused
- What are the hurdles?
 - No hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 1

- What was done since the last scrum meeting?
 - Built development plan to tackle for the architecture
- What is planned to be done until the next scrum meeting?
 - Start the development plan
- What are the hurdles?
 - N/A

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - I also examined some of the UI components of the original project
- What is planned to be done until the next scrum meeting?
 - Finish compiling a list of possible changes to the project now including the UI aspect
- What are the hurdles?
 - No hurdles

Date: 09/08/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 3:00 PM

End time: 5:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 4 Hours.
- What was done since the last scrum meeting?
 - Finished user story for the setup guide.
 - Met with the product owner to discuss project milestones.
 - Contacted the previous group that worked on the project to ask technical questions.
- What is planned to be done until the next scrum meeting?
 - Start working on the user story for the changelog report.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - familiarized myself with the projects coding
- What is planned to be done until the next scrum meeting?
 - look over and analyze the user stories that need to be done
- What are the hurdles?
 - learning android applications and scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - had a small meeting with my classmates to discuss past UI components
- What is planned to be done until the next scrum meeting?
 - keep testing them out to make sure everything aligns with what my other classmates are developing.
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?

- 2
- What was done since the last scrum meeting?
 - Start planning architecture (story process work
- What is planned to be done until the next scrum meeting?
 - keep planning
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - More user story process work
- What is planned to be done until the next scrum meeting?
 - Have my user stories completed
- What are the hurdles?
 - N/A

Date: 09/09/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 5:00 PM

End time: 7:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 2 Hours.
- What was done since the last scrum meeting?
 - Tested the application and wrote down features that could be changed in the report.
- What is planned to be done until the next scrum meeting?
 - Keep testing applications to add more entries to the change log report.
 - Test refactoring UI with Jetpack Compose to start integration process.
- What are the hurdles?
 - Scheduling meetings with the team due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - familiarized myself with the projects coding
- What is planned to be done until the next scrum meeting?
 - continue planning
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - UI components were tested and discussed with team members
- What is planned to be done until the next scrum meeting?
 - researching on the implementation of new UI components in the application using the software for Android
- What are the hurdles?
 - No hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - User story work
- What is planned to be done until the next scrum meeting?
 - More user story work
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - User stories and new project development
- What is planned to be done until the next scrum meeting?
 - Finish user stories
- What are the hurdles?
 - N/A

Date: 09/10/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 6:00 PM

End time: 7:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 2 hours.
- What was done since the last scrum meeting?
 - Tested UI refactoring with Jetpack Compose.
- What is planned to be done until the next scrum meeting?
 - Continue testing for the UI refactoring.
- What are the hurdles?
 - Scheduling meetings due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - working on user story
- What is planned to be done until the next scrum meeting?
 - working on completing user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Found out how to implement components by using the correct software for android applications
- What is planned to be done until the next scrum meeting?
 - working on the first user story and scheduling my time right so I can work on it well
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?

- Work on the research.
- What is planned to be done until the next scrum meeting?
 - Research and clarify the product owner's application requirements.
- What are the hurdles?
 - N/A

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did more research on the android application
- What is planned to be done until the next scrum meeting?
 - finish user stories
- What are the hurdles?
 - N/A

Date: 09/11/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 4:00 PM

End time: 5:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 2 hours.
- What was done since the last scrum meeting?
 - Tested UI refactoring with the Jetpack Compose integration.
- What is planned to be done until the next scrum meeting?
 - Write down the UI refactoring process on the change log report.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - working on user story
- What is planned to be done until the next scrum meeting?
 - working on completing user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued the development of my user story
- What is planned to be done until the next scrum meeting?
 - Implemented knowledge researched for the software Android application
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - User story work

- What is planned to be done until the next scrum meeting?
 - More user story work
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Made notes for what the product owner wants
- What is planned to be done until the next scrum meeting?
 - Finish user stories
- What are the hurdles?
 - N/A

Date: 09/12/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 5:30 PM

End time: 6:30 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 2 hours.
- What was done since the last scrum meeting?
 - Wrote down the UI refactoring process on the change log report.
 - Wrote down a progress report for the product owner.
- What is planned to be done until the next scrum meeting?
 - Prepare user stories for the next sprint cycle and meet with the product owner.
- What are the hurdles?
 - Scheduling meetings with team and product owner due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - working on user story
- What is planned to be done until the next scrum meeting?
 - working on completing user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Revised the log report and the changes made by a classmate I
- What is planned to be done until the next scrum meeting?
 - finishing my first user story which is checking for UI components that can be reused for the project
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 1

- What was done since the last scrum meeting?
 - Research on the project architecture
- What is planned to be done until the next scrum meeting?
 - finish the research over the weekend
- What are the hurdles?
 - Understanding existing code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Reveiwed github code and looked into android application
- What is planned to be done until the next scrum meeting?
 - User stories
- What are the hurdles?
 - N/A

Date: 09/15/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 5:30 PM

End time: 7:30 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Contacted product owner and previous team group that worked on the project to plan user stories for the next sprint cycle.
- What is planned to be done until the next scrum meeting?
 - Start working on the user story for reusable UI components.
- What are the hurdles?
 - Scheduling meetings due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - worked on completing the jetpack compose migration report
- What is planned to be done until the next scrum meeting?
 - to finish the jetpack compose migration report
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finished up some details on the user stories from the last sprint
- What is planned to be done until the next scrum meeting?
 - research how to correctly develop one of the new user stories from this added sprint.
“Project architecture documentation”
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 1

- What was done since the last scrum meeting?
 - Research on the project architecture
- What is planned to be done until the next scrum meeting?
 - Go over the github repo
- What are the hurdles?
 - Understanding existing code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started some research on implementing the IOS part of the project and user stories
- What is planned to be done until the next scrum meeting?
 - Start the new user stories with Sidney and continue to do research on the android and IOS applications
- What are the hurdles?
 - N/A

Date: 09/16/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 7:00 PM

End time: 8:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Started working on implementing a reusable UI system in the current codebase.
- What is planned to be done until the next scrum meeting?
 - Keep working on the implementation of the UI system.
- What are the hurdles?
 - Scheduling meetings due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - finished the jetpack migration report
- What is planned to be done until the next scrum meeting?
 - start researching and working on the next user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Talked with my classmate who I'm paired with to know how we are going to schedule and task assign for the user stories we will be working on this sprint
- What is planned to be done until the next scrum meeting?
 - be done with the scheduling for the first week of the sprint on how to work on the assigned user stories
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 3

- What was done since the last scrum meeting?
 - Research on the project architecture
- What is planned to be done until the next scrum meeting?
 - Go over the github repo
- What are the hurdles?
 - Understanding existing code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued to work with Sidney for the user stories
- What is planned to be done until the next scrum meeting?
 - Looking to make great progress with user stories and start the Jetpack android coding
- What are the hurdles?
 - N/A

Date: 09/17/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 6:45 PM

End time: 7:45 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Wrote down code for a reusable UI component.
 - Checked email sent by the product owner regarding Google Play Store policies.
- What is planned to be done until the next scrum meeting?
 - Refactor existing UI using the new code.
- What are the hurdles?
 - Scheduling meetings due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - finished the jetpack migration report
- What is planned to be done until the next scrum meeting?
 - start researching and working on the next user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Scheduled times and researched about the first user story of the sprint
- What is planned to be done until the next scrum meeting?
 - worked on the first user story of the sprint
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?

- Research on the project architecture
- What is planned to be done until the next scrum meeting?
 - Go over the github repo
- What are the hurdles?
 - Understanding existing code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Reviewed the github code again and plan on implementing some code ideas on the side with my own personal notes
- What is planned to be done until the next scrum meeting?
 - Continue to work with Sidney on user stories
- What are the hurdles?
 - N/A

Date: 09/18/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 7:30 PM

End time: 8:30 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 4 hours.
- What was done since the last scrum meeting?
 - Worked on refactoring the UI to implement reusable components.
- What is planned to be done until the next scrum meeting?
 - Keep working on the refactoring of the UI elements.
- What are the hurdles?
 - Scheduling meetings due to conflicting availabilities.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - finished the jetpack migration report
- What is planned to be done until the next scrum meeting?
 - start researching and working on the next user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Working on the implementation of UI components
- What is planned to be done until the next scrum meeting?
 - finishing implementing at least 2 new ui components
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - User story work

- What is planned to be done until the next scrum meeting?
 - More user story work
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - User story work and android and IOS app research
- What is planned to be done until the next scrum meeting?
 - User stories
- What are the hurdles?
 - N/A

Date: 09/19/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 7:00 PM

End time: 8:25 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Worked on refactoring the UI.
- What is planned to be done until the next scrum meeting?
 - Keep working throughout the weekend on refactoring the UI.
- What are the hurdles?
 - Scheduling meetings due to conflicting availabilities.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - finished the jetpack migration report
- What is planned to be done until the next scrum meeting?
 - start researching and working on the next user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Working on altering any last UI components that still need some minimum change
- What is planned to be done until the next scrum meeting?
 - be done with the implementation of at least 1 UI component
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - User story work

- What is planned to be done until the next scrum meeting?
 - More user story work
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - User stories progress
- What is planned to be done until the next scrum meeting?
 - Deep dive into IOS research
- What are the hurdles?
 - N/A

Date: 09/22/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 7:30 PM

End time: 8:30 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 4 hours.
- What was done since the last scrum meeting?
 - Wrote down and sent a progress report to the product owner.
 - Revised migration report and wrote down additional code.
- What is planned to be done until the next scrum meeting?
 - Implement migration report code.
- What are the hurdles?
 - Scheduling meetings due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - finished the jetpack migration report
- What is planned to be done until the next scrum meeting?
 - start researching and working on the next user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - got together with my classmate who is sharing my same user stories for this sprint so we could talk about which UI components to discard
- What is planned to be done until the next scrum meeting?
 - rewriting the code so that the UI components are correct until now
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - User story work
- What is planned to be done until the next scrum meeting?
 - Finish user story
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Almost done with user stories
- What is planned to be done until the next scrum meeting?
 - Finish stories
- What are the hurdles?
 - N/A

Date: 09/23/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 3:00 PM

End time: 4:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Kept working on the Jetpack Compose integration.
- What is planned to be done until the next scrum meeting?
 - Keep working on UI elements using Jetpack Compose.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - finished research on jetpack compose
- What is planned to be done until the next scrum meeting?
 - working on jetpack compose
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - worked on my respective user stories
- What is planned to be done until the next scrum meeting?
 - further development of our project alongside my teammates
- What are the hurdles?
 - time management

David Vasquez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - User story work

- What is planned to be done until the next scrum meeting?
 - Finish user stories
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Android application work on my own
- What is planned to be done until the next scrum meeting?
 - Planning to work on some more android application stuff/user stories
- What are the hurdles?
 - N/A

Date: 09/24/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 6:00 PM

End time: 7:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 Hours.
- What was done since the last scrum meeting?
 - Revised code for the refactored UI and fixed bugs.
- What is planned to be done until the next scrum meeting?
 - Keep working on UI code.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - finished research on jetpack compose
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - continuing the development of the user stories
- What is planned to be done until the next scrum meeting?
 - the implementation of the UI components that could be reused
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Research on the project architecture

- What is planned to be done until the next scrum meeting?
 - Go over the github repo
- What are the hurdles?
 - Understanding existing code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Worked with Sidney on some of the user stories
- What is planned to be done until the next scrum meeting?
 - UI and Andriod code work
- What are the hurdles?
 - N/A

Date: 09/25/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 7:00 PM

End time: 8:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Kept working on refactoring UI elements.
- What is planned to be done until the next scrum meeting?
 - Write down documentation for the new code.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - finished research on jetpack compose
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - User story development
- What is planned to be done until the next scrum meeting?
 - finishing one of the user stories with Nick
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Almost done with the user stories

- What is planned to be done until the next scrum meeting?
 - Android app work and user stories
- What are the hurdles?
 - N/A

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Almost done with the user stories
- What is planned to be done until the next scrum meeting?
 - Android app work and user stories
- What are the hurdles?
 - N/A

Date: 09/28/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 12:30 PM

End time: 1:40 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Wrote down a progress report and sent the report to the Product Owner.
 - Kept working on refactoring UI elements.
 - Wrote down documentation for new UI elements.
- What is planned to be done until the next scrum meeting?
 - Prepare user stories for the next sprint cycle.
 - Finish working on UI elements.
- What are the hurdles?
 - Scheduling meetings due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - finished research on jetpack compose
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - scheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - finishing the first user story for the development of the app
- What is planned to be done until the next scrum meeting?
 - finishing the second user story with Nick
- What are the hurdles?
 - no hurdles

David Vasquez:

How many hours did I work since the last meeting?

- 3
- What was done since the last scrum meeting?
 - finishing the first user story for the development of the app
- What is planned to be done until the next scrum meeting?
 - Make sure the second user story is correct
- What are the hurdles?
 - no hurdles

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Almost done with user stories and code prep for android app
- What is planned to be done until the next scrum meeting?
 - User stories complete
- What are the hurdles?
 - N/A

Date: 09/29/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 9:00 PM

End time: 10:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Wrote down a progress report and sent the report to the Product Owner.
 - Discussed user stories for the next sprint cycle with the Product Owner.
 - Wrote down documentation for refactoring of the dashboard screen.
- What is planned to be done until the next scrum meeting?
 - Keep working on refactoring screens and adding UI components to the project.
- What are the hurdles?
 - Scheduling due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - finished research on jetpack compose
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - schedulingscheduling

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - development of our project and further research on our application
- What is planned to be done until the next scrum meeting?
 - checking what has been done until now to see if it's okay with the other team members
- What are the hurdles?
 - no hurdles

David Vasquez:

How many hours did I work since the last meeting?

- 3
- What was done since the last scrum meeting?
 - finishing the first user story for the development of the app
- What is planned to be done until the next scrum meeting?
 - Make sure the second user story is correct
- What are the hurdles?
 - no hurdles

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued user stories with Sidney
- What is planned to be done until the next scrum meeting?
 - Finish user stories and finish research on jet pack compose
- What are the hurdles?
 - Personal time management

Date: 09/30/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 12:30 PM

End time: 1:40 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Fixed bugs with the home screen component.
 - Created a separate component for the new UI element in the home screen.
- What is planned to be done until the next scrum meeting?
 - Keep working on refactoring screens.
- What are the hurdles?
 - Scheduling due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - worked on user stories
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Reviewed the new user stories for the sprint
- What is planned to be done until the next scrum meeting?
 - worked on the research on how to implement them
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
- 3
- What was done since the last scrum meeting?

- finishing the first user story for the development of the app
- What is planned to be done until the next scrum meeting?
 - Make sure the second user story is correct
- What are the hurdles?
 - no hurdles

Nicholas Juman:

 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Andriod/IOS research
- What is planned to be done until the next scrum meeting?
 - User stories
- What are the hurdles?
 - N/A

Date: 10/08/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:05 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Integrated Jetpack Compose in activity and refactored UI elements to make them reusable.
 - Implemented scalable Frequently Asked Questions (FAQ) screen with reusable UI elements.
- What is planned to be done until the next scrum meeting?
 - Keep integrating Jetpack Compose in activity screens and wrote down documentation for currently changed screens.
- What are the hurdles?
 - Scheduling due to conflicting availability and undocumented missing application features.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on flutter conversion report
- What is planned to be done until the next scrum meeting?
 - work on IOS development documentation
- What are the hurdles?
 - Schedule conflicts

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?

- What was done since the last scrum meeting?
 - User story work
- What is planned to be done until the next scrum meeting?
 - More user story work
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Worked with Sidney on user stories
- What is planned to be done until the next scrum meeting?
 - Looking to complete user stories
- What are the hurdles?
 - N/A

Date: 10/09/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:10 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Documented changes for the finished activity screens and newly implemented FAQ screen.
- What is planned to be done until the next scrum meeting?
 - Meet with the product owner and keep working on refactoring the UI.
- What are the hurdles?
 - Scheduling due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - completed the flutter conversion report and IOS documentation
- What is planned to be done until the next scrum meeting?
 - I plan on researching for more user stories
- What are the hurdles?
 - schedule conflicts

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - User story developmental work
- What is planned to be done until the next scrum meeting?
 - checking if all the work done aligns with our goals as a team
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?

- What was done since the last scrum meeting?

- User story work
- What is planned to be done until the next scrum meeting?
 - More user story work
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - User story work
- What is planned to be done until the next scrum meeting?
 - Doing a deep dive into the github and see where and how I can help
- What are the hurdles?
 - Schedule conflicts

Date: 10/12/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 11:00 PM

End time: 12:35 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Met with the product owner to discuss the project's progress and milestones.
 - Documented refactored UI components.
- What is planned to be done until the next scrum meeting?
 - Setup development environment for iOS application.
- What are the hurdles?
 - Not enough time to release a deployable version of the iOS application.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - received further information on the project and what to accomplish
- What is planned to be done until the next scrum meeting?
 - I plan on researching for the user stories
- What are the hurdles?
 - schedule conflicts

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Met the product owner and documented what needs to get done and work on user stories
- What is planned to be done until the next scrum meeting?
 - Start helping with the remaining android conversions
- What are the hurdles?
 - Crunch for time for iOS application

David Vasquez:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - User story work
- What is planned to be done until the next scrum meeting?
 - More user story work
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Had meeting with product owner with partners to discuss future of the application
- What is planned to be done until the next scrum meeting?
 - Start working on the android conversions for the previous parts
- What are the hurdles?
 - iOS part short on time

Date: 10/13/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Wrote down user stories for the current sprint cycles and sent them to the product owner for approval.
 - Contacted the previous team group that worked on the application to manage application deployment.
 - Wrote down documentation on refactored code.
- What is planned to be done until the next scrum meeting?
 - Set up the development environment for the iOS prototype.
 - Deploy application update to the Google Play Store.
- What are the hurdles?
 - Scheduling due to conflicting availability.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - received further information on the project and what to accomplish
- What is planned to be done until the next scrum meeting?
 - I plan on researching for the user stories
- What are the hurdles?
 - schedule conflicts

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Worked with Nick on the reviewing the github and how we are going to do the iOS transfers
- What is planned to be done until the next scrum meeting?
 - Start the iOS transfer process
- What are the hurdles?

- N/A

David Vasquez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Meeting with prod owner
- What is planned to be done until the next scrum meeting?
 - analyze ios implementation
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Started reviewing the remaining parts of the git that need to be transferred to android and started looking up how to do the iOS with user story teammate
- What is planned to be done until the next scrum meeting?
 - Planning on starting iOS part as soon as possible
- What are the hurdles?
 - N/A

Date: 10/14/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:50 PM

End time: 9:50 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Set up a development environment for the iOS application.
 - Contacted product owner and previous team group regarding deployment for the android application.
 - Fixed privacy policy to address deployment issues and follow Google Play Store guidelines.
- What is planned to be done until the next scrum meeting?
 - Start working on home screen integration for the iOS application.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on Implement Login and Signup Screens
- What is planned to be done until the next scrum meeting?
 - finish Implementing Login and Signup Screens
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Updating the UI components
- What is planned to be done until the next scrum meeting?
 - Researching how to do the IOS transfer for the development of the app
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Meeting with prod owner
- What is planned to be done until the next scrum meeting?
 - analyze ios implementation
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Researched SwiftUI for iOS updates
- What is planned to be done until the next scrum meeting?
 - Start working on the new user stories
- What are the hurdles?
 - N/A

Date: 10/15/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:35 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Deployed update for the android application on the Google Play Store and wrote down update notes.
 - Created UI elements for the home screen for the iOS application.
- What is planned to be done until the next scrum meeting?
 - Keep working on the home screen for the iOS application.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on Implement Login and Signup Screens
- What is planned to be done until the next scrum meeting?
 - finish Implementing Login and Signup Screens
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Researched SwiftUI and started user stories
- What is planned to be done until the next scrum meeting?
 - Continue to work on user stories with Nick
- What are the hurdles?
 - N/A

David Vasquez:

- How many hours did I work since the last meeting?
 - 3

- What was done since the last scrum meeting?
 - Meeting with prod owner
- What is planned to be done until the next scrum meeting?
 - analyze ios implementation
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Reviewed some SwiftUI tools and did some research
- What is planned to be done until the next scrum meeting?
 - Work on user stories with Sidney
- What are the hurdles?
 - N/A

Date: 10/16/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:30 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Worked on the home screen user interface for the iOS application.
- What is planned to be done until the next scrum meeting?
 - Keep working on the home screen user interface.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on Implement Login and Signup Screens
- What is planned to be done until the next scrum meeting?
 - finish Implementing Login and Signup Screens
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - kept working on the development of the app
- What is planned to be done until the next scrum meeting?
 - updates on UI components
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Meeting with prod owner

- What is planned to be done until the next scrum meeting?
 - analyze ios implementation
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Worked on user story development with Sidney
- What is planned to be done until the next scrum meeting?
 - Further research on IOS transfer and SwiftUI
- What are the hurdles?
 - no hurdles

Date: 10/19/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 1:50 PM

End time: 2:50 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Worked on the home screen menu and implementation of reusable UI elements.
- What is planned to be done until the next scrum meeting?
 - Keep working on the home screen menu and reusable UI elements.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on Implement Login and Signup Screens
- What is planned to be done until the next scrum meeting?
 - finish Implementing Login and Signup Screens
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Worked with Nick on user stories
- What is planned to be done until the next scrum meeting?
 - Finishing user stories and continue UI updates
- What are the hurdles?
 - No hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - check the iOS implementation

- What is planned to be done until the next scrum meeting?
 - analyze ios implementation
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Made progress on user stories with Sidney
- What is planned to be done until the next scrum meeting?
 - Finshing user stories and finish up research with SwiftUI
- What are the hurdles?
 - N/A

Date: 10/20/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:10 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Sent a progress report to the product owner.
 - Worked on refactoring UI elements to make them reusable in the iOS application.
- What is planned to be done until the next scrum meeting?
 - Keep working on UI elements.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on Implement Login and Signup Screens
- What is planned to be done until the next scrum meeting?
 - finish Implementing Login and Signup Screens
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Made progress with user stories and UI work
- What is planned to be done until the next scrum meeting?
 - Continue UI work and looking into the iOS transfers
- What are the hurdles?
 - n/a

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?

- check the iOS implementation
- What is planned to be done until the next scrum meeting?
 - analyze ios implementation
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Progress with user stories and SwiftUI research
- What is planned to be done until the next scrum meeting?
 - Start helping with UI elements in Git
- What are the hurdles?
 - N/A

Date: 10/21/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 9:00 PM

End time: 10:10 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Worked on the navigation bar implementation for the iOS application.
- What is planned to be done until the next scrum meeting?
 - Worked on implementing settings, frequently asked questions, and profile configuration screen.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on Implement Login and Signup Screens
- What is planned to be done until the next scrum meeting?
 - finish Implementing Login and Signup Screens
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Worked on user stories with Nick
- What is planned to be done until the next scrum meeting?
 - UI components in the github
- What are the hurdles?
 - n/a

David Vasquez:

- How many hours did I work since the last meeting?

 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - User stories work with Sidney
- What is planned to be done until the next scrum meeting?
 - Start helping with the implementing in the github
- What are the hurdles?
 - N/A

Date: 10/22/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:20 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Implemented about screen, text box component for the about screen, and basic navigation between screens for the iOS application.
 - Redesigned UI elements to keep consistency between screens.
- What is planned to be done until the next scrum meeting?
 - Replace placeholder screens.
 - Write down code documentation.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on Implement Login and Signup Screens
- What is planned to be done until the next scrum meeting?
 - finish Implementing Login and Signup Screens
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - User stories development and research
- What is planned to be done until the next scrum meeting?
 - Research on IOS development
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?

- 3
- What was done since the last scrum meeting?
 - reviewed the ios repo
- What is planned to be done until the next scrum meeting?
 - analysis on the swift code
- What are the hurdles?
 - understanding other person code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - checking the finished IOS code for the app
- What is planned to be done until the next scrum meeting?
 - checking the commented code and updating it accordingly
- What are the hurdles?
 - No hurdles

Date: 10/23/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:15 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Wrote down code documentation.
- What is planned to be done until the next scrum meeting?
 - Meet with the product owner.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on Implement Login and Signup Screens
- What is planned to be done until the next scrum meeting?
 - finish Implementing Login and Signup Screens
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - UI components and went over the iOS github
- What is planned to be done until the next scrum meeting?
 - Continue research on iOS portion and start on changes
- What are the hurdles?
 - n/a

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - reviewed the ios repo

- What is planned to be done until the next scrum meeting?
 - analysis on the swift code

 - understanding other person code
- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - reviewed the ios repo
- What is planned to be done until the next scrum meeting?
 - analysis on the swift code
- What are the hurdles?
 - understanding other person code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Reviewed the iOS github and starting planning on what to do next
- What is planned to be done until the next scrum meeting?
 - Start working on the iOS portion
- What are the hurdles?
 - n/a

Date: 10/24/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Met with the product owner and showed her the progress on the iOS application.
 - Wrote down notes and feedback given by the product owner for features and fixes to be done for the next sprint cycle.
 - Planned user stories to be worked on for the next sprint cycle alongside the product owner.
- What is planned to be done until the next scrum meeting?
 - Write down the user stories for the next sprint cycle.
 - Work on fixing UI elements in the iOS application.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on Implement Login and Signup Screens
- What is planned to be done until the next scrum meeting?
 - finish Implementing Login and Signup Screens
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on the UI development with Nick
- What is planned to be done until the next scrum meeting?
 - checking the code from GitHub
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Review the ios repo
- What is planned to be done until the next scrum meeting?
 - Analysis on the swift code
- What are the hurdles?
 - Understanding other person code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - IOS portion development with Sidney
- What is planned to be done until the next scrum meeting?
 - Continuation on IOS portion development and updating code
- What are the hurdles?
 - N/A

Date: 10/27/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:30 PM

End time: 9:40 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Discussed the user stories that will be worked on for this sprint cycle with the product owner.
 - Started working on database implementation for the iOS application.
- What is planned to be done until the next scrum meeting?
 - Keep working on database implementation for the iOS application.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Applying iOS Design Standards and Styling
- What is planned to be done until the next scrum meeting?
 - Applying iOS Design Standards and Styling
- What are the hurdles?
 - n/a

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Talked to teammates about app development
- What is planned to be done until the next scrum meeting?
 - Worked in the sprint user stories and thought of the next ones
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 3

- What was done since the last scrum meeting?
 - Review the ios repo

 - Analysis on the swift code
- What are the hurdles?
 - Understanding other person code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Working on user story development
- What is planned to be done until the next scrum meeting?
 - IOS research and working on the code for the app
- What are the hurdles?
 - N/A

Date: 10/28/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 9:00 PM

End time: 10:10 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Implemented logic for databases to log user activity and keep track of daily logs.
- What is planned to be done until the next scrum meeting?
 - Start activity implementation and connect it to the database.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Applying iOS Design Standards and Styling
- What is planned to be done until the next scrum meeting?
 - Applying iOS Design Standards and Styling
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - iOS UI component work
- What is planned to be done until the next scrum meeting?
 - Help work on the github implementations
- What are the hurdles?
 - n/a

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?

- ios ui analysis
- What is planned to be done until the next scrum meeting?
 - Github push
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Reviewed github and did individual research on the iOS implementation with SwiftUI
- What is planned to be done until the next scrum meeting?
 - Help with github implementation
- What are the hurdles?
 - N/A

Date: 10/29/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Worked on implementing activities and connecting them to the database.
- What is planned to be done until the next scrum meeting?
 - Keep working on database and activity screens.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on user story
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Reviewed github and started on code translating
- What is planned to be done until the next scrum meeting?
 - Continue the github work
- What are the hurdles?
 - n/a

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - ios ui analysis

- What is planned to be done until the next scrum meeting?
 - Github push
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Started with more of the android to iOS translations
- What is planned to be done until the next scrum meeting?
 - Continuing the translations
- What are the hurdles?
 - N/A

Date: 10/30/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 7:50 PM

End time: 8:50 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Worked on activity and database implementation.
- What is planned to be done until the next scrum meeting?
 - Keep working on activity and database implementation.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on user story
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - user story development
- What is planned to be done until the next scrum meeting?
 - talk with Nick about the development of the user stories we are working on together
- What are the hurdles?
 - No hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Review the ios repo

- What is planned to be done until the next scrum meeting?
 - Analysis on the swift code
- What are the hurdles?
 - Understanding other person code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - researched IOS development and finished the GitHub review
- What is planned to be done until the next scrum meeting?
 - further work for user story
- What are the hurdles?
 - N/A

Date: 11/01/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 5:00 PM

End time: 6:30 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Worked on implementing the activity screen and database.
- What is planned to be done until the next scrum meeting?
 - Keep working on implementing activity screens and databases.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on user story
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Github UI work and translations
- What is planned to be done until the next scrum meeting?
 - Continue the same work
- What are the hurdles?
 - n/a

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Review the ios repo

- What is planned to be done until the next scrum meeting?
 - Analysis on the swift code
- What are the hurdles?
 - Understanding other person code

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Continued to do individual translations of the android to iOS
- What is planned to be done until the next scrum meeting?
 - Get a good section of the translations done
- What are the hurdles?
 - N/A

Date: 11/03/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 6:00 PM

End time: 7:20 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Implemented calendar component for activity screens implementation.
- What is planned to be done until the next scrum meeting?
 - Keep working on activity screens implementation.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on user story
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Did user story work with Nick and the iOS development
- What is planned to be done until the next scrum meeting?
 - Continue to work on implementations and user story work
- What are the hurdles?
 - n/a

David Vasquez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Revised the github

- What is planned to be done until the next scrum meeting?
 - Develop the app
- What are the hurdles?
 - N/a for now

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Continued individual translations of the code to iOS
- What is planned to be done until the next scrum meeting?
 - Gonna start adding into the shared git and continuing whatever is needed
- What are the hurdles?
 - N/A

Date: 11/04/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:15 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Worked on responsive UI design for the iOS application and implementation of user data.
- What is planned to be done until the next scrum meeting?
 - Implement mood tracker activity.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

How many hours did I work since the last meeting?

- 3
- What was done since the last scrum meeting?
 - working on user story
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - User story work and translations
- What is planned to be done until the next scrum meeting?
 - Focus on the translations that need to get done
- What are the hurdles?
 - n/a

David Vasquez:

- How many hours did I work since the last meeting?
 - 5
- What was done since the last scrum meeting?

- set up the code from git up and running on my local device
- What is planned to be done until the next scrum meeting?
 - Start upgrading the Ui
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Continuing the iOS translations
- What is planned to be done until the next scrum meeting?
 - Add to the existing git
- What are the hurdles?
 - N/A

Date: 11/05/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:00 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Worked on responsiveness and implementation of mood tracker activity.
- What is planned to be done until the next scrum meeting?
 - Keep working on the mood tracker.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - working on user story
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
 - N/A

Sidney Bobadilla:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - updating the code and started research on the IOS development of the app
- What is planned to be done until the next scrum meeting?
 - Continue working in the user story
- What are the hurdles?
 - no hurdles

David Vasquez:

- How many hours did I work since the last meeting?
 - 5
- What was done since the last scrum meeting?
 - set up the code from git up and running on my local device

- What is planned to be done until the next scrum meeting?
 - Start upgrading the Ui
- What are the hurdles?
 - n/a

Nicholas Juman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Continued the translations for the iOS part
- What is planned to be done until the next scrum meeting?
 - I plan to start adding them to the git and continue the process
- What are the hurdles?
 - N/A

Date: 11/07/2025

Attendees: Sidney Bobadilla, Santiago Boscan, Adolfo Cabrera, Nicholas Juman, David Vasquez

Start time: 8:00 PM

End time: 9:30 PM

Santiago Boscan:

- How many hours did I work since the last meeting?
 - 3 hours.
- What was done since the last scrum meeting?
 - Fixed bugs with the login and sign up screen.
- What is planned to be done until the next scrum meeting?
 - Keep working on the mood tracker.
- What are the hurdles?
 - No hurdles.

Adolfo Cabrera

How many hours did I work since the last meeting?

- 3
- What was done since the last scrum meeting?
 - working on user story
- What is planned to be done until the next scrum meeting?
 - working on user story
- What are the hurdles?
