- What are the hurdles?
 - Trying to understand how to use the project ideas in unity

<Joshua Rodrigues >:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Kept learning about Unity and some of its features that could be useful for the project and discussed work division for future aspects of our project
- What is planned to be done until the next scrum meeting?
 - Keep brainstorming ideas for the project and start developing the text dialog system
- What are the hurdles?
 - Finding the best time to communicate with all of my team members

<Bryan Diaz>:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Discussed project work division and how to best split the work among our group
 - Finalized my unity research to start working on my assigned tasks
- What is planned to be done until the next scrum meeting?
 - Work on the character name/portrait display
 - Brainstorming project ideas
- What are the hurdles?
 - I lack experience with the Unity engine so I may need additional time to work on my parts of the project

<Hossam Keddees>:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Attended other meetings and discussed project goals
- What is planned to be done until the next scrum meeting?
 - Start applying the project ideas
- What are the hurdles?
 - Trying to understand how to use the project ideas in unity
