

Daily Scrum Meeting Minutes:

Date: 09/18/2025

Attendees: Barbara Andino, Amelia DiGennaro, Damian Figueroa-Gonzalez, Moath Hussein

Start time: 10:50 pm

End time: 11:20 pm

Sprint 2, Day 4

Barbara Andino:

- How many hours have I worked since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - We decided to move forward with simulating a USB drop attack on a university setting. I started identifying key assets that would be at risk in this type of environment.
- What is planned to be done until the next scrum meeting?
 - I plan to complete the list of key assets and begin drafting a summary of how each one could be impacted by a successful USB attack.
- What are the hurdles?
 - None at the moment.

Amelia DiGennaro:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Since the last meeting I finished categorizing the threats and drafted the initial descriptions of the categories so they can be used as a reference point in the risk analysis.
- What is planned to be done until the next scrum meeting?
 - I plan to complete the categorization and descriptions for the remaining categories and start to review them for clarity and consistency.
- What are the hurdles?
 - A current hurdle is ensuring that the descriptions are detailed enough to be useful for the risk analysis while still being concise and not repetitive.

Damian Figueroa-Gonzalez:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Since the last scrum meeting, I reviewed the research I collected and started narrowing it down to vulnerabilities most relevant to USB drop attacks.
- What is planned to be done until the next scrum meeting?
 - I plan to expand research on the vulnerabilities identified to see which ones could have the highest impact and try to create examples to share with the team.
- What are the hurdles?

- None at this moment.

Moath Hussein:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting
 - I discussed some suggestions for the initial high-priority risk strategies that I had been working on.
- What is planned to be done until the next scrum meeting?
 - Prepare notes to be incorporated into the project risk register.
- What are the hurdles?
 - None for today.
