Sprint 5, Day 1

Barbara Andino:

- How many hours have I worked since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - I met with my team for Sprint 5 Planning and got assigned my new user story: User Story 17: Diagram for USB Attack Scenario.
- What is planned to be done until the next scrum meeting?
 - I plan to review our finalized risk matrix and the risk-to-control mapping to identify the key threats, assets, and controls that should be used in the diagram. I also plan to sketch a rough flow of the USB attack scenario.
- What are the hurdles?
 - None at the moment.

Amelia DiGennaro:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Since the last meeting my team and I met for the Sprint 5 Planning Meeting and we discussed the new User Stories distribution for this sprint. I was assigned User Story 19: Document Attack Flow.
- What is planned to be done until the next scrum meeting?
 - I plan to start researching outline formats of flow documents so I can create the USB drop attack flow document and map out each of the attack stages from the USB Drop to the potential breach. I will gather information from the teammates working on the diagram and harmless USB payload as the sprint progresses to ensure the documentation matches the simulation steps.
- What are the hurdles?
 - None at the moment.

Damian Figueroa-Gonzalez:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Since this is the first entry for the new sprint, I reviewed User Story 18 (Build harmless USB payload). I researched safe payload approaches and began outlining a plan that simulates malicious behavior without causing harm.

- What is planned to be done until the next scrum meeting?
 - I plan to select a safe payload design, choose the implementation method and share it with the team.
- What are the hurdles?
 - None at this moment.

Moath Hussein:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - I've been assigned a new task, reviewing the quality of the demonstration. .
- What is planned to be done until the next scrum meeting?
 - I'll begin researching the quality of the project.
- What are the hurdles?
 - None for today
