Sprint 5, Day 4

Barbara Andino:

- How many hours have I worked since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - I went back to the draft and adjusted the flow between each attack stage. Each security control is labeled and I wrote a short description under each for when my group reviews again.
- What is planned to be done until the next scrum meeting?
 - I plan to share the new draft with my team for feedback and check if any key steps need to be added before finalizing.
- What are the hurdles?
 - None at the moment.

Amelia DiGennaro:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - I continued to expand on the outline and work on finalizing the draft of the attack flow document. I added detailed descriptions for each stage.
- What is planned to be done until the next scrum meeting?
 - I plan to complete the first draft of the outline of the attack flow document and present it to my to receive their feedback
- What are the hurdles?
 - None at the moment.

Damian Figueroa-Gonzalez:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Since the last scrum meeting, I continued working on the prototype for the harmless USB payload. I made small adjustments to the popup behavior and logging function to ensure it runs safely within the isolated environment.
- What is planned to be done until the next scrum meeting?
 - I plan to continue refining the prototype by improving the code structure and testing it in different scenarios to confirm that it behaves consistently.
- What are the hurdles?

- None at this moment.

Moath Hussein:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - All components of the demo have been verified to be functioning correctly and meeting the specific acceptance criteria for the context.
- What is planned to be done until the next scrum meeting?
 - I'll finalize the project schedule with the project manager to ensure that the official demonstration is ready.
- What are the hurdles?
 - None for today
