Sprint 5, Day 9

Barbara Andino:

- How many hours have I worked since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - I finalized the diagram layout and prepared a short summary explaining each stage and the mitigation points. My team reviewed it and noted the visuals were a lot cleaner and easier to follow.
- What is planned to be done until the next scrum meeting?
 - I will prepare at least a 3 minute walk-through of the diagram for the sprint review meeting for my team and discuss how we can incorporate it for the final deliverables.
- What are the hurdles?
 - None at the moment.

Amelia DiGennaro:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Since the last meeting, I implemented my team's feedback into the simulation scenarios final draft and improved the overall structure and flow of the document. I reviewed and adjusted the mapped test cases studies to ensure they align with the refined scenarios.
- What is planned to be done until the next scrum meeting?
 - I plan to continue reviewing the sections I've worked on including the simulation scenarios and attack flow document, ensuring everything is consistent and ready for integration into the final project documentation.
- What are the hurdles?
 - None at the moment.

Damian Figueroa-Gonzalez:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Since the last scrum meeting, I implemented the team's recommended adjustments to the harmless USB payload. I refined the popup message for

better clarity and retested the payload to confirm that it performs safely and consistently.

- What is planned to be done until the next scrum meeting?
 - I plan to finalize the payload documentation, verify all safety measures are clearly noted, and prepare the completed version for final team review.
- What are the hurdles?
 - None at this moment.

Moath Hussein:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - It has been verified that all demonstration and visual data accurately represent the project's results and adhere to the documentation guidelines.
- What is planned to be done until the next scrum meeting?
 - I'm planning to collect final approval from the project manager and prepare a demonstration package for submission. I'll also review stakeholders.
- What are the hurdles?
 - None for today
