Mateo Escobar

- How many hours did I work since the last meeting?
 - I have worked 3 hours.
- What was done since the last scrum meeting?
 - Since the last Scrum meeting, I continued to work on the virtual networks and the honey pot and making configurations to allow unrestricted traffic to enter.
- What is planned to be done until the next scrum meeting?
 - For the next scrum meeting I will continue to work on user stories and address any issues.
- What are the hurdles?
 - No hurdles at the moment.

Nikohl Fuentes:

- How many hours did I work since the last meeting?
 - I've worked three hours and thirty minutes since the last meeting.
- What was done since the last scrum meeting?
 - I browsed different configurations to create a VM resource with my new student account credits on the Microsoft Azure platform.
- What is planned to be done until the next scrum meeting?
 - I will need to create this new VM once I am sure that I can arrange the requirements for the VMs capacity, and then I'd need to touch base with my team to see how we can get these VMs to interact with each other (whether it be on the same network or not).
- What are the hurdles?
 - No hurdles encountered today.

Sebastian Medina:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Connect to the vm using a remote desktop so that I can manually alter security settings through Windows Defender.
- What is planned to be done until the next scrum meeting?
 - Begin working on the next steps, involve editing the settings within Windows Defender to make the virtual network more open.
- What are the hurdles?
 - Time is often a common hurdle.

Marian Mora:

- How many hours did I work since the last meeting?
 - I worked two hours.
- What was done since the last scrum meeting?
 - I went over my previous semesters Azure account and reviewed what I needed to do since I had started my free trial previously.
- What is planned to be done until the next scrum meeting?
 - Need to coordinate and talk to my team about what our plan is, so we can ensure the VM can interact with the other resources in our environment.
- What are the hurdles?
 - Same hurdle remains.

Ryan Hamel:

- How many hours did I work since the last meeting?
 - One hour
- What was done since the last scrum meeting?
 - Talked with Sebastian about VM/OS choices
- What is planned to be done until the next scrum meeting?
 - Decided on which VM and OS to use and started to set them up.
- What are the hurdles?
 - Same hurdle remain
