Mateo Escobar

- How many hours did I work since the last meeting?
 - I have worked 2 hours and a half.
- What was done since the last scrum meeting?
 - Since the last Scrum meeting, I worked with the team to set up the Azure resource group for our specific SIEM environment.
- What is planned to be done until the next scrum meeting?
 - For the next scrum meeting I will continue to work with the team to work through our user stories and address any issues as they arise.
- What are the hurdles?
 - No hurdles at the moment.

Nikohl Fuentes:

- How many hours did I work since the last meeting?
 - I've worked three hours and thirty minutes since the last meeting.
- What was done since the last scrum meeting?
 - I discussed different tradeoffs for capacity configurations with my team based on the options we have on the Microsoft Azure platform to create a VM resource, and I researched different use cases that our project features with content online to see what the best course of action would be.
- What is planned to be done until the next scrum meeting?
 - I plan to create this new VM and continue to discuss with my team to determine how we can get these VMs to interact with one another whether it be sharing a network with a VPN, or making remote contact through other means.
- What are the hurdles?
 - No hurdles encountered today.

Sebastian Medina:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Collaborate with a student on how to better efficiently manage or display the long-term data traffic for when the Senior Showcase arrives so that we can give something to visually interact with.
- What is planned to be done until the next scrum meeting?
 - Begin working on the next steps, involving editing the settings within Windows Defender to make the virtual network more open.
- What are the hurdles?

- Time is often a common hurdle.

Marian Mora:

- How many hours did I work since the last meeting?
 - I worked two hours.
- What was done since the last scrum meeting?
 - I reviewed my Azure account status since my original free trial had already been activated and compared options for creating a new VM resource with my student account credits. I also started outlining what requirements would be needed for the VM capacity so it aligns with the rest of the team's configurations.
- What is planned to be done until the next scrum meeting?
 - I plan to coordinate with a peer to ensure we are aligned on the resource group configuration.
- What are the hurdles?
 - Same hurdle remains.

Ryan Hamel:

- How many hours did I work since the last meeting?
 - One hour
- What was done since the last scrum meeting?
 - Talked with Sebastian about VM/OS choices
- What is planned to be done until the next scrum meeting?
 - Decided on which VM and OS to use.
- What are the hurdles?
 - Same hurdle remains
