Mateo Escobar

- How many hours did I work since the last meeting?
 - I have worked three hours and thirty minutes
- What was done since the last scrum meeting?
 - Since the last scrum meeting I have worked on the security rules on Defender to purposely make our honeypot vulnerable.
- What is planned to be done until the next scrum meeting?
 - Until the next scrum meeting I will be performing requests against our virtual machine and see if it can be accessed externally.
- What are the hurdles?
 - No hurdles at the moment.

Nikohl Fuentes:

- How many hours did I work since the last meeting?
 - I've worked three hours and thirty minutes since the last meeting.
- What was done since the last scrum meeting?
 - Today I focused on implementing the VM based on the configurations my team decided were most ideal, we went into testing that the set up for this VM worked and that everyone could access the same version and set up of the VM on their devices.
- What is planned to be done until the next scrum meeting?
 - Now that one VM is up, we need to determine whether we would use this as the host or the target, and come up with another VM instance to act as the counterpart.
- What are the hurdles?
 - No hurdles encountered today.
