Nikohl Fuentes:

- How many hours did I work since the last meeting?
 - I've worked three hours and thirty minutes since the last meeting.
- What was done since the last scrum meeting?
 - I continued to work in collaboration with a peer to test out the KQL queries we considered, and we were able to gather geolocation data we can load into Azure in order to determine where the IPs of the attackers are on a map.
- What is planned to be done until the next scrum meeting?
 - We need to finalize our KQL queries and continue to implement the different geolocation data we sourced in our background research for this project that can identify attackers.
- What are the hurdles?
 - No hurdles encountered today.
