

Sprint Backlog Grooming Meeting Minutes

Attendees: Alexander Hued, Nicholas Delgado, Amanda Bustinza

Start Time: 4:00 p.m.

End Time: 6:00 p.m.

User Stories Discussed / Refined / Prioritized

User Story #1: *Continue making wireframes and layout ideas*

- The team continued refining wireframes and layout concepts to improve the app's overall user interface and structure.
- Further adjustments and refinements will be made as new design feedback is gathered.

User Story #2: *Create a list of teaching methods and questions for users to use in-app*

- The team brainstormed various teaching methods and types of questions that can be incorporated into the app.
- The list will guide content development and ensure that lessons align with the app's learning objectives.

User Story #3: *Continue developing the initial build*

- Ongoing progress was made on the app's foundational build.
- The team will focus on integrating core features in the next sprint.
