

Daily Scrum Meeting Minutes:

Attendees:

Bryan Garcia - 6289119

Tom Mizrachi - 6358028

Andres Jaimes - 6289563

Cesar Pereyra - 5544950

Bryan Hernandez - 6456561

Start time: 5:15 PM

End time: 7:15 PM

Bryan Garcia:

- **How many hours have I worked since the last meeting?**
 - 2 hours
- **What was done since the last scrum meeting?**
 - We now came up with a project prototype idea to work on that involves server, VM, front and back ends, a huge upgrade and easy setups for IT departments.
- **What is planned to be done until the next scrum meeting?**
 - So more research as we brainstorm more ideas or other projects for backup in case we don't find much source to back up our first project.
- **What are the hurdles?**
 - Search for more projects and come up with a decision for one.

Tom Mizrachi:

- **How many hours did I work since the last meeting?**
 - 2 hours
- **What was done since the last scrum meeting?**
 - A project idea was proposed
- **What is planned to be done until the next scrum meeting?**
 - We will create user stories and learn more about ansible and docker
- **What are the hurdles?**
 - None yet

Cesar Pereyra:

- **How many hours have I worked since the last meeting?**
 - 2 hours
- **What was done since the last scrum meeting?**
 - Started researching ansible and docker as a base for the project.
- **What is planned to be done until the next scrum meeting?**
 - Learn more about ansible and docker and how to configure them.
- **What are the hurdles?**
 - Find the right angle for our project if we decide to use ansible/docker.

Bryan Hernandez:

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Found a good potential project the group can agree upon.
- What is planned to be done until the next scrum meeting?
 - Research and figure out the workload and how to spread the work for the potential project.
- What are the hurdles?
 - Figuring out how to spread the workload evenly.

Andres Jaimes:

- **How many hours have I worked since the last meeting?**
 - 2
- **What was done since the last scrum meeting?**
 - We decided on our project Idea, Started preparing with learning Ansible, and cloud-init development using virtualbox to understand how the process works, so we can do an automated first time boot.
- **What is planned to be done until the next scrum meeting?**
 - We are going to decide what to split.
- **What are the hurdles?**
 - Nothing yet
