 - None yet

Cesar Pereyra:

- **How many hours have I worked since the last meeting?**
 - 3 hours
- **What was done since the last scrum meeting?**
 - Continue learning how to use git and GitHub to better organize our progress. Experimented with GitHub's copilot features. Used copilot to learn how to combine ansible and docker.
- **What is planned to be done until the next scrum meeting?**
 - Continue learning how to use git to manage the project.
- **What are the hurdles?**

- Lots of different resources git/docker, currently working with an Ubuntu environment

Bryan Hernandez:

- How many hours did I work since the last meeting?
 - 3 hours
- What was done since the last scrum meeting?
 - Continue progressing my knowledge on the softwares
- What is planned to be done until the next scrum meeting?
 - Strengthen the security of the project.
- What are the hurdles?
 - None right now

Andres Jaimes:

- **How many hours have I worked since the last meeting?**
 - 3
- **What was done since the last scrum meeting?**
 - Did a complete setup with Amazon web service: EC2 and S3 buckets to be able to store and run our website and I'll just have it delivered on Cloudflare because we need a CDN a middleman just for protection in my eyes even if it's not mandatory
- **What is planned to be done until the next scrum meeting?**
 - I'll continue to progress and learn more
- **What are the hurdles?**
 - Nothing yet
