

Sprint Backlog Grooming Meeting Minutes (Sprint 3)

Date: October 6

Attendees: Matthew Chaar, Eduardo Parrado Arango, Joshua Aranzazu, Nelson Rodriguez, Joshua Conte

Start time: 9:00 PM

End time: 10:00 PM

The following user stories were created/discussed/refined/prioritized.

The user stories below are completed or refined:

User Story #1: Encryption Standard (Refined) - Decided to use AES-256 for storing the user's secret keys in the database.

User Story #2: Countdown Timer Animation (Refined) - Discussed using an SVG circle for the 30-second countdown visual.

User Story #3: Account Deletion (New) - Added a story to the backlog for removing an authenticator account.

User Story #4: Backup Codes (New) - Discussed the need for generating one-time use backup codes in a future sprint.

User Story #5: Offline Mode (Refined) - Confirmed that code generation must work without internet access (local calculation).
