

Sprint Review Meeting Minutes

Attendees: Luis Delgado (Developer), Andres Hernandez Raggioli (Scrum Master), Ana Oliveira (Product Owner), Gaeldesh Demosthene (Developer)

Start time: 7:00 PM

End time: 8:00 PM

After a show and tell presentation, the implementation of the following user stories were accepted by the product owners:

User Story 2: As a student, I can quickly find cards by keyword, subject, and date created.

User Story 4: As a student, I can view my progress (mastery %, streak, due cards, time spent).

User Story 5: As a student, I can export/import decks to share or back up.

User Story 1: As a student, I can review generated cards, edit them, and see the source snippet citation for each card.

The following ones were rejected and moved back to the product backlog to be assigned to a future sprint at a future Spring Planning meeting:

User Story 3: As a student, I can study a deck using learn mode, type-in answers, or MCQ auto-generated distractors.
