

Sprint Retrospective Meeting Minutes

Attendees: Christian Stewart, Jonathan Hori, Cristian Pena, Randy Arbolaez, Dahiver Guerra

Start time: 8:00am

End time: 9:00am

What went wrong?

- Nothing went wrong this sprint.

Did we do a good job estimating our team's work capacity?

- Work capacity was good, worked on more features this time around..

Did we do a good job estimating the time required for each user story/task?

- We did great estimating the time required.

Did each team member work as scheduled?

- All team members worked as scheduled and communicated efficiently.

What went right?

- Restructures the whole project
- Created a new working backend
- Connected the backend to the frontend
- Working search and filter feature

How to address the issues in the next sprint?

- Work overtime to get all features done for the showcase

How to improve the process?

- Split work successfully between team members
- Brainstorm better for easier idea processes

How to improve the product?

- Not much to improve apart from getting the page to look more professional
- Probably server hosting
