

## Daily Standup 1 (5/12)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Z, Gabriel Guzman

Start time: 8:30pm

End time: 10:30pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 0
- What was done since the last scrum meeting?
  - This is the first meeting of the semester.
- What is planned to be done until the next scrum meeting?
  - We are opting to use this week and the next few meetings to finalize a proposal.
- What are the hurdles?
  - Finding the time to meet which fits our school and work schedules.
  - Combining different proposal ideas.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 0
- What was done since the last scrum meeting?
  - This was the first meeting.
- What is planned to be done until the next scrum meeting?
  - Continue choosing ideas
- What are the hurdles?
  - Choosing the right idea and a final proposal.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 0
- What was done since the last scrum meeting?
  - First meeting of our capstone project.
- What is planned to be done until the next scrum meeting?
  - Discuss different proposals, propose a time to meet up that fits our schedule and understand the requirements for the project proposal.
- What are the hurdles?
  - Combining our ideas for one final proposal.

#### Lorenzo Zaidowicz

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Initial planning for the Stockoverflow project
- What is planned to be done until the next scrum meeting?
  - Start documentation for our project
- What are the hurdles?
  - Organizing the workload for each week

#### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Researched subjects related to project design
- What is planned to be done until the next scrum meeting?
  - Discuss project plans
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 2 (5/20)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Z, Gabriel Guzman

Start time: 8:00pm

End time: 10:00pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - The group came to a consensus on which project to work on: StockOverflow
- What is planned to be done until the next scrum meeting?
  - Work on a demo for the brownian motion stock simulation and implement a loop timer to have it continuously working.
- What are the hurdles?
  - Finding the time to meet which fits our school and work schedules.
  - Making sure the simulation is accurate at representing the motion of stock prices.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Worked on a demo regarding the stock simulation. Attempted to implement a loop timer
- What is planned to be done until the next scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Our meeting consisted on the planning of the user stories for each member.
- What is planned to be done until the next scrum meeting?
  - Familiarized with the demo of the stock Simulator and add up some implementation.
- What are the hurdles?
  - Combining our ideas for one final proposal.

#### Lorenzo Z

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - We got 5 group members to start discussing which project to work on
- What is planned to be done until the next scrum meeting?
  - Work on project plans so we can decide which one to work on
- What are the hurdles?
  - Planning

#### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  -
- What is planned to be done until the next scrum meeting?
  - Discuss project plans
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 3 (5/21)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Z, Gabriel Guzman

Start time: 8:00pm

End time: 10:00pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued working on the demo. We began working on documentation for the project and planning features.
- What is planned to be done until the next scrum meeting?
  - Updating the Brownian motion demo model and extending the documentation while touching up the features.
- What are the hurdles?
  - Making sure the simulation is accurate at representing the motion of stock prices.
  - Organizing workload fairly.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What is planned to be done until the next scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Proposing implementation on the demo of the stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue working with the demo of the stock Simulator and add up some implementation.

- What are the hurdles?
  - Having all implementations altogether.

#### Lorenzo Z

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Initial planning for the Stockoverflow project
- What is planned to be done until the next scrum meeting?
  - Start documentation for our project
- What are the hurdles?
  - Organizing the workload for each week

#### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  -
- What is planned to be done until the next scrum meeting?
  - Discuss project plans
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 4 (5/22)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Z, Gabriel Guzman

Start time: 8:00pm

End time: 10:00pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued working and optimizing the demo.
- What is planned to be done until the next scrum meeting?
  - Extend the documentation while touching up the features of the demo. This is planned until the end of this week.
- What are the hurdles?
  - Organizing workload fairly.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What is planned to be done until the next scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Worked with the implementation on the demo of the stock simulator
- What is planned to be done until the next scrum meeting?
  - Continuing working with the demo of the stock Simulator and add up some implementation.
- What are the hurdles?

- No hurdles

#### Lorenzo Zaidowicz

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Worked on our initial demo for the stock simulator.
- What is planned to be done until the next scrum meeting?
  - Continue with the initial demo and testing.
- What are the hurdles?
  - Organizing the workload for each week

#### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued research and work on demo of stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue to plan out and apply research to production.
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 5 (5/23)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Z, Gabriel Guzman

Start time: 8:00pm

End time: 10:00pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Optimizing the stock simulation demo.
- What is planned to be done until the next scrum meeting?
  - Extend the documentation while touching up the features of the demo. This is planned until the end of this week.
- What are the hurdles?
  - Organizing workload fairly.
  - Keeping the demo accurate.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What is planned to be done until the next scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continue working with the demo stock simulator
- What is planned to be done until the next scrum meeting?
  - Do some research in the the implementation.
- What are the hurdles?
  - No hurdles

#### Lorenzo Zaidowicz

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Worked on our initial demo for the stock simulator.
- What is planned to be done until the next scrum meeting?
  - Continue with the initial demo and testing.
- What are the hurdles?
  - Organizing the workload for each week.

#### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued research and work on demo of stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue to plan out and apply research to production.
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 6 (5/29)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Z, Gabriel Guzman

Start time: 8:00pm

End time: 10:00pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Optimizing the stock simulation demo.
- What is planned to be done until the next scrum meeting?
  - Extend the documentation while touching up the features of the demo. This is planned until the end of this week.
- What are the hurdles?
  - Organizing workload fairly.
  - Keeping the demo accurate.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What is planned to be done until the next scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued research of the demo stock simulator.
- What is planned to be done until the next scrum meeting?
  - Apply research on the implementation
- What are the hurdles?
  - No hurdles

#### Lorenzo Zaidowicz

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Worked on our initial demo for the stock simulator.
- What is planned to be done until the next scrum meeting?
  - Continue with the initial demo and testing.
- What are the hurdles?
  - Organizing the workload for each week.

#### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued research and work on demo of stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue to plan out and apply research to production.
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 7 (5/30)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Z, Gabriel Guzman

Start time: 8:00pm

End time: 10:00pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Optimizing the stock simulation demo.
- What is planned to be done until the next scrum meeting?
  - Extend the documentation while touching up the features of the demo. This is planned until the end of this week.
- What are the hurdles?
  - Organizing workload fairly.
  - Keeping the demo accurate.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What is planned to be done until the next scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Applying what I learned from the research for the demo stock simulator.
- What is planned to be done until the next scrum meeting?
  - Continue researching and implement what I have so far for the simulator.
- What are the hurdles?
  - No hurdles

#### Lorenzo Zaidowicz

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Worked on our initial demo for the stock simulator.
- What is planned to be done until the next scrum meeting?
  - Continue with the initial demo and testing.
- What are the hurdles?
  - Organizing the workload for each week.

#### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued research and work on demo of stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue to plan out and apply research to production.
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 9 (5/30)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Z, Gabriel Guzman

Start time: 8:00pm

End time: 10:00pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Optimizing the stock simulation demo.
- What is planned to be done until the next scrum meeting?
  - Extend the documentation while touching up the features of the demo. This is planned until the end of this week.
- What are the hurdles?
  - Organizing workload fairly.
  - Keeping the demo accurate.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What is planned to be done until the next scrum meeting?
  - Continue to work on a demo regarding the stock simulation. Attempted to implement a loop timer
- What are the hurdles?

  - Continue to plan out and apply research to production.
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 12 (6/2)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Zaidowicz, Gabriel Guzman

Start time: 8:30pm

End time: 9:30pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Optimizing the stock simulation demo.
- What is planned to be done until the next scrum meeting?
  - Extend the documentation while touching up the features of the demo. This is planned until the end of this week.
- What are the hurdles?
  - Organizing workload fairly.
  - Keeping the demo accurate.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Begin implementing the chart into a front end.
- What is planned to be done until the next scrum meeting?
  - Continue to work on a frontend regarding the stock chart.
- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Applying what I learned from the research for the demo stock simulator.
- What is planned to be done until the next scrum meeting?
  - Continue researching and implement what I have so far for the simulator.
- What are the hurdles?
  - No hurdles

### Lorenzo Zaidowicz

- How many hours did I work since the last meeting?
  - 2

- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Drafting wireframes and layout ideas for the stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue working on the wireframes
- What are the hurdles?
  - Match layout with the needs of the simulator

### Lorenzo Zaidowicz

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Worked on our initial demo for the stock simulator.
- What is planned to be done until the next scrum meeting?
  - Continue with the initial demo and testing.
- What are the hurdles?
  - Organizing the workload for each week.

#### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued research and work on demo of stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue to plan out and apply research to production.
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 16 (6/9)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Zaidowicz, Gabriel Guzman

Start time: 9:30pm

End time: 10:30pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Optimizing the stock simulation demo.
- What is planned to be done until the next scrum meeting?
  - Extend the documentation while touching up the features of the demo. This is planned until the end of this week.
- What are the hurdles?
  - Organizing workload fairly.
  - Keeping the demo accurate.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Begin implementing the chart into a front end.
- What is planned to be done until the next scrum meeting?
  - Continue to work on a frontend regarding the stock chart.
- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Drafting wireframes and layout ideas for the stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue working on the wireframes
- What are the hurdles?
  - Match layout with the needs of the simulator

### Lorenzo Zaidowicz

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Worked on our initial demo for the stock simulator.
- What is planned to be done until the next scrum meeting?
  - Continue with the initial demo and testing.
- What are the hurdles?
  - Organizing the workload for each week.

#### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued research and work on demo of stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue to plan out and apply research to production.
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 16 (6/11)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Zaidowicz, Gabriel Guzman

Start time: 9:30pm

End time: 10:30pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2

- What was done since the last scrum meeting?
  - Continued research and work on demo of stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue to plan out and apply research to production.
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 29 (6/30)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Zaidowicz, Gabriel Guzman

Start time: 8:30pm

End time: 10:30pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Optimizing the stock simulation demo.
- What is planned to be done until the next scrum meeting?
  - Extend the documentation while touching up the features of the demo. This is planned until the end of this week.
- What are the hurdles?
  - Organizing workload fairly.
  - Keeping the demo accurate.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 3
- What was done since the last scrum meeting?
  - Begin implementing the chart into a front end.
- What is planned to be done until the next scrum meeting?
  - Continue to work on a frontend regarding the stock chart.
- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Drafting wireframes and layout ideas for the stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue working on the wireframes
- What are the hurdles?
  - Match layout with the needs of the simulator

### Lorenzo Zaidowicz

- How many hours did I work since the last meeting?
  - 3
- What was done since the last scrum meeting?
  - Working front end to begin testing and debugging.
- What is planned to be done until the next scrum meeting?
  - Testing and debugging, logging problems.
- What are the hurdles?
  - Deciding on what new features to implement.

#### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued research and work on demo of stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue to plan out and apply research to production.
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 30 (7/2)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Zaidowicz, Gabriel Guzman

Start time: 8:30pm

End time: 10:30pm

### Alex Gomez

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Optimizing the stock simulation demo.
- What is planned to be done until the next scrum meeting?
  - Extend the documentation while touching up the features of the demo. This is planned until the end of this week.
- What are the hurdles?
  - Organizing workload fairly.
  - Keeping the demo accurate.

### Brandon Rodriguez

- How many hours did I work since the last meeting?
  - 3
- What was done since the last scrum meeting?
  - Begin implementing the chart into a front end.
- What is planned to be done until the next scrum meeting?
  - Continue to work on a frontend regarding the stock chart.
- What are the hurdles?
  - Making sure that the simulation represents Brownian Motion.

### Diego Peralta

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Working on documentation and frontend.
- What is planned to be done until the next scrum meeting?
  - Continue to work on the documentation and get some testing done.
- What are the hurdles?
  -

### Lorenzo Zaidowicz

- How many hours did I work since the last meeting?
  - 3
- What was done since the last scrum meeting?
  - Finishing testing and debugging.
- What is planned to be done until the next scrum meeting?
  - Finish a part of the poster.
- What are the hurdles?
  - Preparing the final presentation

### Gabriel Guzman

- How many hours did I work since the last meeting?
  - 2
- What was done since the last scrum meeting?
  - Continued research and work on demo of stock simulator
- What is planned to be done until the next scrum meeting?
  - Continue to plan out and apply research to production.
- What are the hurdles?
  - Organizing project proposals, workload, etc.

## Daily Standup 43 (7/27)

**Daily Scrum Meeting Minutes:** 120 minutes

Attendees: Alex Gomez, Brandon Rodriguez, Diego Peralta, Lorenzo Zaidowicz, Gabriel Guzman

Start time: 8:30pm

End time: 10:30pm

### Alex Gomez
